Development of Sidewalks Urged by County Grand Jury

The need for curbs, gutters and sidewalks in the residential areas of the county was cited by the Public Works Committee of the County Grand Jury as one of the county's greatest problem areas.

In the 1958-59 report of the committee released by Jury Foreman Ed Valentino, the committee recommended "an intensive, continuing program providing for the installation of these items by special assessment dis-

trict or other local financing should be pushed."

IN A SECOND ITEM, the jury committee urged the board of supervisors to continually explore, develop and refine a balanced and integrated plan for a motor vehicle transportation system for Contra Costa County, taking into consideration mass rapid transit and other transportation media.

"In connection with the development of a comprehensive trans-

portation system, heavy emphasis should be given to providing equity in road financing. The director of public works and the county administrator have been instructed by the board of supervisors to study and recommend in this area," the committee stated.

"The Public Works Department has received the 37 administrative recommendations of the Public Administration Service report on the Department. It sub-

stantially agrees with all of them except one. The County Administrator concurs with the Department on the latter. The administrative recommendations have been put into effect or are in process. A few are being timed in coordination with other County Departments which are also affected," the report continues.

"THE NEXT LOGICAL step on the Public Administrative Service recommendations is the review of the items affecting policy.

Upon direction of the Board, the County Administrator and, possibly, the Public Works Director could analyze and make suggestions upon these items, Otto Palomso, chairman, commented.

One of the more important administrative recommendations involved the creation of a public works department policy manual. Such a manual is under way, he added.

"Of perhaps more than passing

interest is the fact that this committee's review of the grand jury studies of the Public Works Department functions for the fiscal years 1953 through 1958 revealed a total of 83 recommendations.

"Of those within the authority of the Department to act, nearly 50 have been accomplished or are in process. On about 10 the Department indicated some difference of opinion, sometimes

based upon technical information not available to the Grand Jury at the time of the recommendation and sometimes based upon the advantage of hindsight.

"NEARLY 20 recommendations required additional funds to carry them out and about five were policy determinations beyond the authority of the Department," the report points out.

Each of the five supervisors have accompanied members of

the Committee on automobile trips through their respective districts and over what was considered the most important road or roads where there were possible problems," Palomso asserted.

"It is noted by this committee that due to the light rains this year, the problems were not as great as other years where rain or flood damage was greatly higher," the committee agreed.

HOLD THAT TIGER! Bob Ketchum gets a Big Wet Kiss from Sirang, his 250 pound pet Bengal Tiger prior to interview by Sun reporter. Sun photographer and reporter had bad case of shakes after attempting to get personal story of Sirang's private life. —Sun photo by Rod Lomas.

Bengal Tiger Interviewed By Sun (Shaking) Reporter

By JACK SEYMOUR

Dear Boss:
Next time you send me out to interview a Bengal tiger please increase my expense account.

This tiger and I had lunch together and he eats 20 pounds of horse meat at one sitting.

He also takes tranquilizers. He also frightened our photographer half to death by picking his teeth with a Leica. (No, no, not the photographer's teeth!)

Anyway, the tiger told me how he was sold into slavery by Clyde Beatty, the big circus man.

Was bought by one Bob Ketchum, a 31-year-old merchant seaman, who has been roaming around Contra Costa County with him.

Oh, yes, his name is Sirang, which, freely translated from the Bengalese, means Boss Man.

I hope you're following me because I'm still rather shook up about the interview. Sirang kept snarling at me and then at the photographer.

I'm the nervous type. Anyway, Ketchum bought Sirang for \$500 when was a mere

baby in arms (not mine!) Ketchum butted in to tell me not to be frightened.

"The secret is," Ketchum said, "that you've got to out-think him."

My teeth were chattering and my knees knocking and this guy talks about thinking.

I'm not a thinking man. I'm a newspaperman.

At one point I ate all my notes instead of the salad—I was that disturbed. Sirang merely smiled.

Sirang weighs 250 pounds on the hoof.

I only weigh 165. But since I ate my notes I can't remember much about the other vital statistics.

I decided I'd better terminate the interview before I was terminated.

Sirang wanted to shake hands (paws?) with me but I respectfully declined. Anyway, the photo got the picture and I got the shakes.

The item on my expense account? You mean the horse meat? Oh, no. That's for tranquilizers for me!

School Board Balloting Set For Tuesday

Voters will go to the polls Tuesday to cast ballots for candidates seeking posts on the Orinda Union (Elementary) School District Board of Trustees and the Acalanes Union High School District.

In the Orinda Union District there are two vacancies and five candidates for the job.

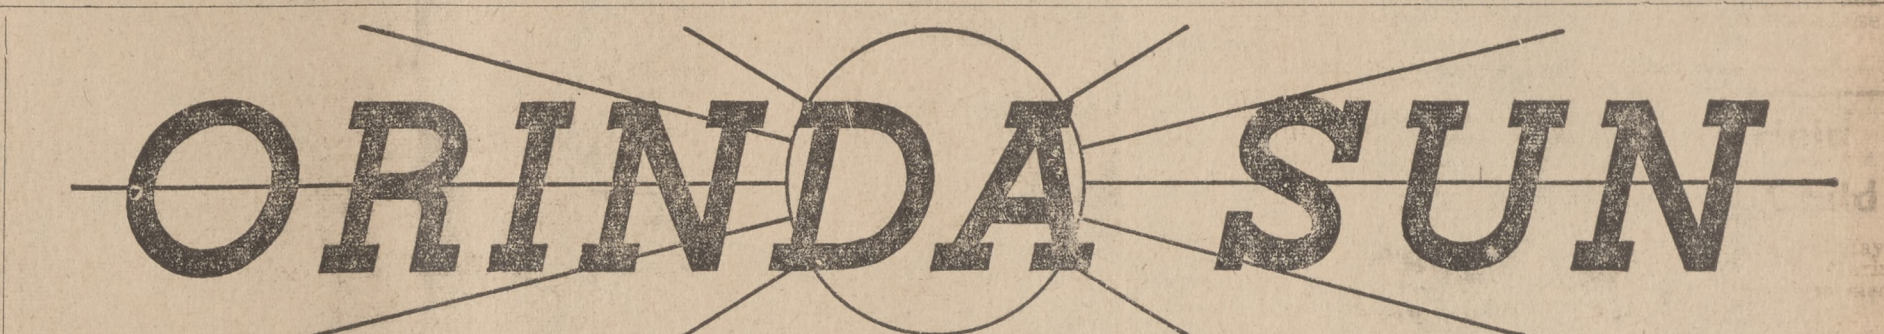

THEY ARE Philip D. Bush, Harry Clemons, Mary Figone, Donald E. Manuel and Herbert A. Waterman.

There are two openings on the Acalanes Union High School District Board and three candidates.

Seeking re-election are Ralph C. Hall and Will C. Hall.

Henry E. Luebke is seeking election to one of the vacancies. There are 20 contests in Contra Costa County, according to County Superintendent of schools Floyd Marchus.

THIS IS an all time record for offices which once went largely uncontested, he added.

Will Municipal Court Be Forced?

Recognize Him?

WHO IS THIS COMMUTER? If you are the circled man come into any of The Sun's business offices and pick up a check for \$5 and a year's subscription to The Sun. Each week The Sun will run a picture of The Sun's lucky commuter. Read The Sun—the lucky commuter may be you. —Sun photo by Rod Lomas.

Taxpayers Helpless If Lawyers Want Change

At least one central county attorney is considering action which would convert the Walnut Creek Judicial District Court into a municipal court.

Attorney John Ganong of Walnut Creek told The Sun this week that he has a case which would be applicable to the necessary legal requirements to change the status of the court.

When asked whether he would use this case to change the court's status, Ganong said, "I haven't made up my mind yet."

SEE EDITORIAL SECOND SECTION

Rumors to the effect that an attorney, or a group of attorneys, would file such action were so direct and specific, that The Sun called Ganong to ask him if he had plans in this direction.

THE SUN went on record as being strongly opposed to the formation of a municipal court just before the last elections. Formation of such a court is inevitable, but it is not necessary at this time.

Ganong, or any attorney in the area, could force the formation of such a court in either of two methods.

1. Bring a case to court in either the Concord Municipal Court or the Richmond Municipal court, and then demand a change of venue to the Walnut Creek Municipal Court.

OF COURSE, such a court does not exist and the judge would refuse. The attorney would then file an action in the superior courts seeking declaration relief.

The judge would then ascertain in the population of the area, and the court would be established automatically.

The requirements for formation of a municipal court rather than a judicial district is simply one of population. If an area has more than 40,000 residents, it is entitled, by law, to a municipal court. The estimated population of the Walnut Creek Judicial District is approximately 90,000.

AT PRESENT, cases involving a money judgement of under \$500 are filed in the judicial district court. Any money judgement between \$500 and \$3000 must be handled in a municipal court.

Judgments of over \$300 are handled in superior court.

Such a change in the court status would affect every resident of the Walnut Creek Judicial District, which includes Walnut Creek, Lafayette, Orinda, Alamo and territory north to Geary Road.

The expense of operating a municipal court is considerably more than that of a justice court because of the increase in salaries to the judge, the required presence of a clerk, and a bailiff. This money comes from taxes and fees collected by the court.

THE CONCORD Municipal Court lost an estimated \$16,000 when it was first formed, and the Walnut Creek Justice Court made money, through fines, etc., during the same year.

Observers have noted that there is not an urgent need for an additional municipal court at present because of the proximity of the Concord Municipal Court, formed in 1957.

Just Dial 'O' For Fast Relief!

Want to get the Sheriff's Office in a hurry?

Did you write down Enterprise 1-1560 as the "hot line" direct to the Sheriff's radio dispatcher?

Well, don't dial it! It's still a "hot line." And it will still get you radio communications direct.

You can't dial it, that's all. You have to dial Operator, and she'll get it for you, according to Pacific Telephone Co. manager, Howard Greenhalgh.

If you live in Orinda, Walnut Creek or Pleasant Hill and try to dial the number, you'll only get that frustrating wail the phone company puts out to let you know when you've fouled up.

If you live in Lafayette and try to dial the Enterprise number, you'll get an answer, but it will be somebody's home, and not the Sheriff's office!

So, if you want the services of Contra Costa's finest, and in a hurry, just dial Operator and tell her you want Enterprise 1-1560.

You'll get results!

Last Rites Held For Parker Child

Last rites were held in Lafayette Tuesday for Christine Marie Parker, 3½, of Orinda, who died suddenly last Sunday.

Christine, the daughter of Mr. and Mrs. Wesley Park of 300 El Toyonal, was found dead in bed about 11 a.m. by Lola Hochuly, 44, of 204 Verona Avenue, Danville, who was caring for the child and another 10-month-old Parker child over the weekend.

The Parkers were away on a boating trip for the weekend. The babysitter, called by the Orinda Fire Department and the sheriff's office, Fire department efforts to revive Christine proved futile, and the body was removed to the Chapel in the Valley in Lafayette.

Mrs. Hochuly told investigators that she attended the two children about 4 a.m. and again about 10:30 or 10:45 a.m. Chris had not been feeling well, Mrs. Hochuly added.

The babysitter added that the day before a physician had advised administration of fruit juices to Chris.

Graveside services were held at St. Joseph's Cemetery in San Pablo.

Improvement Group to Meet

Glorietta Improvement Association will hold its annual dinner meeting at the Willows, Wednesday, May 27, at 6:30 p.m.

Annual election of officers will take place at that time. A nominating committee has not yet made its report.

Announcing!! Something 'New'

Something brand new has come under the sun. It's The Sun Lucky Commuter Contest and The Sun Lucky License Contest.

THE GAME IS easy, it's fun and pays a total of \$8.75 to each winner, each week.

Here is all you have to do to win.

Just check The Sun each week. There will be five license numbers listed and one picture of a commuter or shopper circled.

If you are the person circled in the picture, just come into either of The Sun's business offices and identify yourself.

The offices are located at 1320 Locust Street in Walnut Creek and 1000 Oak Hill Road in Lafayette.

FOR YOUR CONVENIENCE these offices are open each evening until 6 and Saturday, too.

If you spot your license number in the news columns of The Sun, just drop in and a \$5 cash prize will be yours along with a year's subscription to The Sun.

That's all there's to it, but there are a million and one ways to have fun with this game.

Say you spot one of the Lucky License numbers on a friend's car or on the car of a perfect stranger, why not tell him about the lucky license number. It's a fine way to make a friend.

Well, the game gets underway right now, so start looking for those Lucky License numbers now—it could be yours.

Modified Plans Set for Miramonte Swimming Pool

Bids on modified plans for the proposed Miramonte High School swimming pool will be called for in the near future.

Acalanes High School District trustees heard about modified plans at their meeting held Monday at the high school.

Original bids ran as high as \$90,000 and it is hoped to reduce the price to \$60,000. First bids all were rejected by the board. Orinda residents contributed

\$25,000 toward construction of an olympic-size pool with separate diving area.

But rising cost shot the bids more than \$30,000 higher than was anticipated.

Richard Branwell, district architect, described modifications. It is now hoped the pool will be open by September.

Originally it had been scheduled for July 4.

The Sun's Lucky License Worth Total of \$8.75

If you see your car license number among the five listed below, just bring in proof of the license number to any of The Sun's offices and pick up your \$5 prize and a year's subscription to The Sun valued at \$3.75.

CTS 571
PAX 237
RVH 982
ECW 852
CUE 321

Each of these license numbers was seen by Sun staff members in the Central Contra Costa area, and if your number is among them you will be a winner.

Sun offices are located at 1320 Locust Street in Walnut Creek and at 1000 Oak Hill Road in Lafayette.

\$4 Million More Asked By County Departments

Budget requests from all county departments are running \$4 million above the 1958-59 budget.

New budget requests total \$38,292,403; compared with the \$34,109,030 budgeted for this year.

The board of supervisors was told of this yesterday by County Administrator J. B. McBrien.

SUPERVISORS plan to meet with department heads in a series of meetings from May 25 to 29 in efforts to reduce departmental requests for higher 1959-60 allocations.

Here are some of the major requests compared with current fiscal year allowances:

Concentrate On You

THE HIT of the Orinda School Open House was Romeo, the Robot, designed & built by Bill Lancione. One mother watching the Tin Man put through his paces said she'd be the first to order one—when it can diaper the baby & do the dishes.

Phair's Wonderful Strawberry Wine is like the nectar of the gods, but one lady in the gift shop rhapsodized about it this way—"Delicious! Tastes just like homemade strawberry jam gone bad." Well, everyone to his own. Personally, it's a delightful luncheon libation or as a basic ingredient for a Punch Bowl, & don't forget to add a touch of some plump fresh strawberries.

By the way, if you're using fresh mint from your garden, DO wash it hard under running water. Aphids love mint leaves & somehow are NOT expected to turn up in punch cups! But they do!

IF A MIDSUMMER'S DREAM comes true for Frankie Schwedhelm, the lady at Patio Music Shop, there'll be teenage record dances in that spacious place of a patio at Rheem Center. T-Bones Drive-In at Moraga should be ready for opening in June.

Village Sights . . . Dogs dangling, children wrangling, mutts & moppets hanging out of cars as their mothers & mothers shop . . . & have you EVER noticed old cars, old cars, new children . . . New dogs, new cars, OLD children.

Lucy Hupp dons her binoculars every morning & goes off to Cal. where she communes w/ Nature in a special class . . . Note to talented Jody Hard, folk-singing guitarist—How about a Summer Sing at the Park Pool this summer?

Spkg. of the Park Pool, don't forget your cup & a free donation if you want to join The Coffee Club. Save those riddlin' pennies for the extra cent added to the nickel & dime candy & ice cream bars. From now on, we'll have more respect for the old coppers!

FAREWELLING at the S.E. Airport Sunday were the Bob Baileys & the Coty Eames' who drove their Dos Encinas neighbors Jeannette & Otis Miller & children over the bridge for an early morning flight to the Islands.

The plane was held up 4 hrs. so Bon Voyages between neighbors & the Millers & their children were made over breakfast at the famous airport restaurant. The Millers, sans children, are celebrating both Mother's Day as well as HIS B'day, w/ a Sand & sea stay at the Hawaiian Village. Among parties Al having the pair was the one hosted by the Carl Davises of Los Arabis, Lafayette.

Milly & Lee Poupenov were at the Airport, too, to put Lee on a plane to NY . . . Milly said it was so crowded she thinks people go there to picnic & spend the day.

DAVID BELL, digging in his backyard on El Toyonal, found an old piece of petrified something, took it to his teacher, Mrs. Givens, who in turn called U.C. paleontologist Dr. Charles Camp. David had discovered two Ma-todon's teeth, about 8 MILLION YRS. old! MORE OLD FOSSILS around here, hmmm?

PORTRAITURE by Doris Fraser will be on view at the Orinda Libe through May . . . some of the portraits are of local people.

Miramonte Juniors girls were honored at a tea by Mills Alumni members May 8 at the home of Betsy Kilburn . . . Honored guests incl. Beth Pendleton Cobb, officer in the Mills Admission Office, as well as Diane Janusch, pres. of Oakland Mills Club.

Tripping into Tea were the fellow wine Misses: Joan Robinson, Vicki McCarter, Sue Henry, Judy Nicolaysen, Nancy Grah, Ruth Thompson, Shelley See & Suzanne Lang.

BENEFITING Mt. Diablo Therapy Center, the Orinda Teen-agers will host their annual cocktail party "Aloha—Hele Mai!" at the Van Ripper rez of the Frank Walkers 5-8 tomorrow night. Orinda Orioles have circled Sat. June 6 for their sipping soiree at the Nathan Gray home. (Gracious Mary Gray has been the Hostess w/ the Mostess & refers kiddingly to herself as Elsa Maxwell for all the parties being held THERE!)

BRAND NEW GRANDparents are Ernest & Helen Drews who took off last Tues. for a Santa Monica visit w/ their new grandson Donald Wayne, born to the Carl Drews on May 7. The new baby boy became the 12th Great Grandchild for Helen's mother & was born on the same Great Lady's 85th B'day!

Eisenhower, FBI, Police Efforts Locate Daughter

The efforts of President Eisenhower, J. Edgar Hoover, his Federal Bureau of Investigation and several police departments, including the Walnut Creek law enforcement agency, helped a blind and crippled mother in Illinois locate her 28-year-old daughter who had been missing for four years.

Goldie Margaret Van Hoy 723 San Luis Road became the object of a nation-wide search when her mother, Mrs. Zella Redding of Mulberry Grove, Ill., wrote to President Eisenhower.

THE PRESIDENT turned the letter over to the FBI and that agency traced the mother of four children to Las Vegas.

Las Vegas police officials reported to the FBI that the woman was last reported to be heading for Walnut Creek.

Here the Walnut Creek police

department through the facilities of the Department of Motor Vehicles, California Identification Agency and knowledge of local residents, swung into action.

After a series of blind leads, Officer J. C. Kennon traced the address of Mrs. Van Hoy through the department of motor vehicles registration file.

WEDNESDAY, after nearly a three-month search, Mrs. Van Hoy wrote to her mother as Michael, 8, Theresa, 6, Bobbie, 2 and David, 1, looked on.

The elderly woman was invited by her daughter to come to California and live on San Luis Road.

Mrs. Van Hoy explained that she was involved in an auto accident some four years ago and a good many facts of her past are blurred, but, she said, "we look forward to a happy reunion."

The children heartily agreed.

\$250,000 Suit Filed Against Bruce S. Howard

A \$250,000 damage suit was filed Wednesday against Bruce S. Howard, 621 Miner Road, as a result of an automobile crash in Franklin Canyon near Martinez last December 5.

Named co-defendant were the firms, Howard Terminals, James E. Waters Inc. and Waters Equipment Co. Inc.

Filing the action was Richard B. Tredway, 29, a Marine Corps private, stationed at the Port Chicago Naval Magazine at the time of the crash.

California Highway Patrolmen said the mishap occurred when the sedan carrying Tredway and two fellow Marines went out of control and was struck broadside by Howard's car.

Not parties to Tredway's suit are fellow Marines Billie D. Brand, 25, and Donald F. Walton, 19, who was driver of their car.

The Newchecks Plan Hawaiian Vacation

Lynn and Bill Newcheck are leaving May 20 on the "Matsonia" for Hawaii.

They will stay at the Reef Hotel on Waikiki Beach for three weeks.

The Newchecks were guests of honor at an Aloha party last Saturday night at the Harold Smith home on Meadowview Road.

The house and gardens were decorated in Hawaiian style and guests attended in island costumes.

Will you be looking for interesting programs for your club or church meetings next fall? Here's a suggestion: We have a big selection of entertaining films, and we're happy to let your group borrow them. They range from short, 10-minute features to hour-long color films of our great TV science shows, like Our Mr. Sun and The Alphabet Conspiracy (scene above). If you're interested, just give us a call here at the telephone business office, and we'll be glad to help you. Do it now, while films are still available for most dates next fall. No charge, of course.

Are you planning a week-end trip? Or maybe just now deciding where to spend your summer vacation? Now's the time to call ahead for reservations. It's a lot more pleasant traveling when you know the details are all settled. And station-to-station rates for long distance calls are low in cost. Especially after 6 p.m., weekdays and on Sundays. Here are changes which will go into effect along the Diablo Freeway between Lafayette and Orinda. The changes start today.

Second, Third District Roads in 'Good Shape'

In general, the roads in the second and third supervisory districts are in "good shape," according to a report of the Public Works Committee of the Contra Costa Grand Jury.

Certain exceptions, however, were listed in the report of Otto Palombo in both Supervisor Mel F. Nielsen's second district and Supervisor Tom Coll's third district.

AMONG THEM WERE:

- Stone Valley Road to Green Valley Road very poor.
- Green Valley Road to Diablo Road poor.
- Culverts on El Rincon Road needed badly.
- DIABLO ROAD** should be widened. Very important.
- Relief Station Road very narrow and patched piecemeal.
- St. Marys Road to be rebuilt.
- Moraga Road narrow and patched piecemeal.
- Hampton Road narrow and crooked.
- SAN PABLO DAM ROAD** from Wildcat Road to Orinda should be widened to conform with the road on each side of this stretch so as to eliminate this bottleneck. This should be done as soon as possible.
- Topography of this district creates a drainage problem in several areas of the district.
- In general, the roads in Coll's district are in good repair. Many are new roads or reconstructed to county standards and are holding up well.
- Arthur Road in Vine Hill area is heavily traveled with large trucks; and due to the garbage dump being at the end of this road, it is heavily traveled by garbage trucks from a large surrounding area and the road deteriorates rapidly.
- Delacy Road off of Pacheco Boulevard is bad and needs repair.
- Pacheco Road is mostly good but has low places, floods easily, and some repair is needed.
- Golf Club Road has bad shoulders.
- McGregor Road is in need of repair.
- Paso Noyales Road—one half is new and very good and one half is bad and needs repair badly.
- Pleasant Hill Road and Mercurv Way—Culvert should be extended and a pedestrian bridge constructed. This is a hazard for school children and pedestrians who must go on the road to cross the creek.
- Gregory Lane needs resurfacing.
- SHERMAN ACRES** area is low and floods easily but roads are in good repair.
- San Luis Road has bad shoulders.
- Meadow Road and Tice Valley Road have holes which should be filled.
- Crest Avenue has very narrow shoulder.

Virus 'B' Gets Blame For Flu

"The wave of illness in schools appears to be largely due to Influenza B virus," Dr. John Baier, Assistant Health Officer, announced today.

This conclusion is based on laboratory blood tests done by the Health Department on a small number of persons with "flu." Except for sporadic cases of Asian strain virus, Influenza B virus is also predominating in adjacent counties.

"A large scale Influenza B virus epidemic has not occurred in the county since 1945-46. Because of the lapse of time, our present teen age population has had little contact with this virus, and is quite susceptible to it."

"We may expect the illness to continue to appear in this age population and younger children. Many older persons have not had it either, and are still susceptible."

"However, since the illness is generally mild, the Health Department is not recommending mass inoculations. Those persons with chronic illnesses or special health problems should consult their personal physicians about immunization," he said.

Exemption Deadline Is Monday

Veterans of this country were reminded today by County Assessor C. L. Dunklee that Monday at 5 p.m. is the deadline for filing applications for the annual veterans' tax exemption.

The announcement stressed again that resident veterans of wars or campaigns, including women veterans, must file each year for exemption of the first \$1000 assessed value of their property.

Counties throughout the state accept these applications between the first Monday in March and the last Monday in May.

Only veterans who do not own property worth \$5000 or more, based on assessed valuations, are eligible for the exemption. However, under California's community property laws this means a married veteran and his wife jointly own up to \$10,000 worth of property before becoming ineligible for the exemption.

Veterans' widows, widowed mothers, or pensioned mothers and fathers of veterans also may qualify.

Certain paraplegic veterans who occupy "wheelchair" homes are entitled to \$5,000 tax exemptions on those homes.

All property owned by the veteran must be considered in determining his eligibility, including property owned by him outside the country of residence.

While a majority of the county's 35,000 veterans have already made the necessary returns, Dunklee said, several thousand of them remain to be heard from.

All veterans who have filed their return should save their receipt to insure being properly credited for exemption.

Show Will Give Help To Fund

Samuel Bradbard, attorney, will commmentate at the International Fashion Show, an annual activity of the Mt. Diablo Chapter of United Nations.

The show will be held at the Don Nicholson Residence, 266 La Josa Via, Walnut Creek, May 22 at 8 p.m. All donations are to be used for scholarship purposes.

The unique attraction of the program will be authentic international costumes worn by men and women of the Walnut Creek area.

The fashion show will be held around the pool and garden area surrounding the Nicholson home.

Participants and the countries they represent are: Mr. and Mrs. I.R.T. Montin, Mexico; Mr. and Mrs. Felix Merz, Switzerland; Mr. and Mrs. William Weil, Norway; Mr. and Mrs. Roy Coates, Arabia; Mr. and Mrs. Beverly Wilder, Serbia; Mr. and Mrs. Gerhard Jung, Germany; Mrs. Teddy Wee and Rev. Robert Tsu, China; Dr. and Mrs. Allan Longshore, India; Mr. K. K. Tahara and Mrs. J. Deguchi, Japan; Mr. and Mrs. Elmer Watson, Alaska; Mr. and Mrs. Claud McPhee, Hawaii; Mr. and Mrs. Leon Rahn, United States.

Authentic Japanese dancers under the direction of K. K. Tahara will perform during the program.

Three Candidates Seek Two Acalanes Positions

There are two openings on the Acalanes Union High School District Board and three candidates vying for the two seats.

Incumbents Ralph C. Hall and Will C. Hall are seeking re-election.

Henry E. Luebckman is running for one of the vacancies.

Following, in alphabetical order, are statements issued by the candidates this week:

Ralph C. Hall

As a candidate for election to the Acalanes Union High School District Board of Trustees, I sincerely solicit the support of the voters.

I have been a resident of Orinda for nearly 19 years during which time Mrs. Hall and I have seen our family of four children grow up in the community, three of them having graduated from Acalanes High School with one now in attendance at Miramonte.

By training I am a college man with degrees granted by the universities of Syracuse, Harvard and Michigan.

I was recently elected a fellow in the American Association for the Advancement of Science.

My work is as a forest entomologist with the United States Forest Service, in charge of forest insect survey for the state of California.

Because of my interest, I have been active in my own community in church, civic and Boy Scout activities over a long period of time. Recently, I have served as director of the Orinda Association and also chairman of the Civic Affairs Committee.

Many years ago our Board of Trustees realized the need for long range planning in a rapidly growing community such as ours.

These long range plans have permitted an orderly development of facilities to meet the needs of our community and at no time have we been on double sessions or unduly crowded.

Our district maintains a comprehensive secondary curriculum. High standards for pupils and teachers have produced a flexible education program of high quality geared to needs of the students and the community. This has resulted in our graduates performing well above average in the college of their choice.

Results of comprehensive achievement tests given during February indicate that the average Acalanes District pupil scores among the top 25 percent of the pupils of the same age level in schools across the nation.

Our board policy has always been to hire and keep the best teachers possible. We strongly believe that the competent teacher is the core of the district's educational program.

Acalanes salary schedule for teachers has usually been among the top 10 per cent in California. Our philosophy continues to be that the teachers should be paid a professional salary. At the same time our current pupil-teacher ratio of 24 to 1 is an integral part of the district's educational philosophy.

Relatively speaking, the Acalanes District is a poor district since the principal source of our assessed valuation comes from private homes with only a small industrial base.

This means high taxes for the average home owner.

However, I feel that we have

Will C. Hall

I was born in Berkeley 48 years ago, the oldest son of a professor at the University of California and a former high school teacher.

I was educated in Berkeley, Chicago, Ithaca, and Denver.

I returned to Berkeley in 1929 to attend the University of California and graduated in 1934 with a BS in civil engineering.

I have practiced the engineering profession in the Bay Area continually since graduation and am presently president of the Moffett Engineering, Berkeley.

Moffett is a heavy manufacturing plant specializing in custom built equipment of all kinds.

I have been a resident of this community since 1940 and have been active in Cub Scouts, Boy Scouts, and other youth activities.

We have three children; a senior and a sophomore at Acalanes and an Acalanes graduate now in his second year in mechanical engineering at Stanford.

A group of citizens asked me to run for the school board in 1956 and now seek re-election for a second term.

The association I have had with the members of the school board and the administrative staff during the last three years has been both pleasant and challenging.

Our high school district is growing rapidly and will continue to grow for some years to come.

This growth requires a continuation of our building program with its continuing need for financing both for plant and operation.

I believe I am well qualified by education and experience to aid the district during the next three years of growth and ask for your support to continue my efforts in behalf of you and your children.

WILL C. HALL

There are several reasons why I decided to become a candidate for the board of trustees of the Acalanes High School District.

I believe the civic, moral, and economic well-being of the people depends upon good education for all children.

The people of our district are naturally interested that their school districts be operated efficiently, and, in addition that children have, as nearly as possible,

an equal opportunity for education.

The fine cooperative feeling that exists between the present high school board and the elementary boards in this area is good, but it should go farther than that.

We want more than harmonious relationship between school district boards. We want better schooling for our children with a better use of the tax dollar.

Under one board of trustees and one superintendent the potential exists to do the best possible job of coordinating the entire educational program from kindergarten through the 12th grade.

It is possible under the dual system of education with elementary and high school children under different boards of trustees to do a good job of coordinating educational programs, but it is generally recognized that it is inherent in the unified school district organization to effect coordination with least difficulty.

Elimination of duplications in administration and more effective use of administrative personnel. Unification of a growing area does not necessarily mean elimination of administration personnel. It may mean reassignment to specialized work in some phase of the educational program.

One board of trustees, one superintendent, one set of records, policies, one building program, one educational program, one transportation system, should eliminate some duplication in personnel making it possible through reassignment of positions to do a more effective job of the total program.

The taxpayer and voter sometimes becomes confused among all of the requests of elementary and high school districts for increases in the tax rates or bonds for school building. A unified district can present a total program all at one time.

A single salary schedule for elementary and high school teachers based on equal training and experience is more easily obtained in a unified district than in any other type of district for there is a common equalized tax base for the entire area.

Specialized personnel may be added at a reasonable cost as the need is discovered over a large enough group of pupils and a large tax base.

'Rivals' Opens Tonight; Revolving Stage Featured

Tonight the Restoration Period will be viewed again as The Dramatists present Richard Brinsley Sheridan's classic comedy, "The Rivals."

The gala opening at Town Hall will be at 8:30—and will continue tomorrow night and every Friday and Saturday until early June.

TICKETS ARE available only by reservation and may be secured by phoning during the day to the Orinda Chamber of Commerce, CL 4-4141, or Hirt's Department Store, Berkeley, TH 5-1100; or on nights of performances at Town Hall, AT 4-9965.

Assistant directors are Ethel Appel, Helen Blankenburg, Ray Howard and Alice Swenning.

John Read is technical director, assisted by Stan Stillson.

Lighting is by John Withers, assisted by Alex Hardt and Ann Bradshaw.

Properties will be handled by Jane King with assistants Lucy Huo, Rosemary McGough and Marie Mannon.

Set decoration is by Charlotte Chapple, Betty Angar, Jean Henderson, Janice Janssen and Connie Stowe.

THE SET was constructed by John Read, Stan Stillson, Bruce Winkworth, Wyatt King and Dominic Scott.

One of the unique features of the production of "The Rivals" will be a revolving stage designed by John Read, technical director, Stan Stillson, assistant technical director, and Bruce Winkworth.

Another will be the lavish 18th Century costumes designed by James Harris.

LADIES WILL be gowned in elaborate brocades and laces.

The men will reflect the fashion past and both ladies and gentlemen will be wigged.

Harris has a wide professional background in the theatre in Hollywood and the Far East. Makeup is supervised by Louis Withers and Lucille Marcus, Peg Stanislawski is ticket and reservation chairman.

Norma and Clarence Betz are house managers.

First nights—and all audiences thereafter—will receive programs designed by Eva Nunn which follow as closely as possible an original program of an early production of "The Rivals."

Pete Whipple designed special murals for the occasion in the Green Room, depicting characters in the play.

THE CAST includes Betty Moran as Lydia Languish; Grace Duffy as Lucy; Eleanor Silverman as Julia; Tish Winkworth as Mrs. Malabar; and Doc Scott as Sir Anthony Absolute.

Bruce Winkworth will be Faulkland and Cate Lawrence will take the role of Bob Acres.

Sir Lucius O'Trigger will be portrayed by Jack Holder. Bob Luoma will be David.

Paul Dillbeck will be Thomas and Fred Marcus will act the role of Pag.

Jerome Hamilton and Betty Reynolds will be two pretty demure who act the scenes.

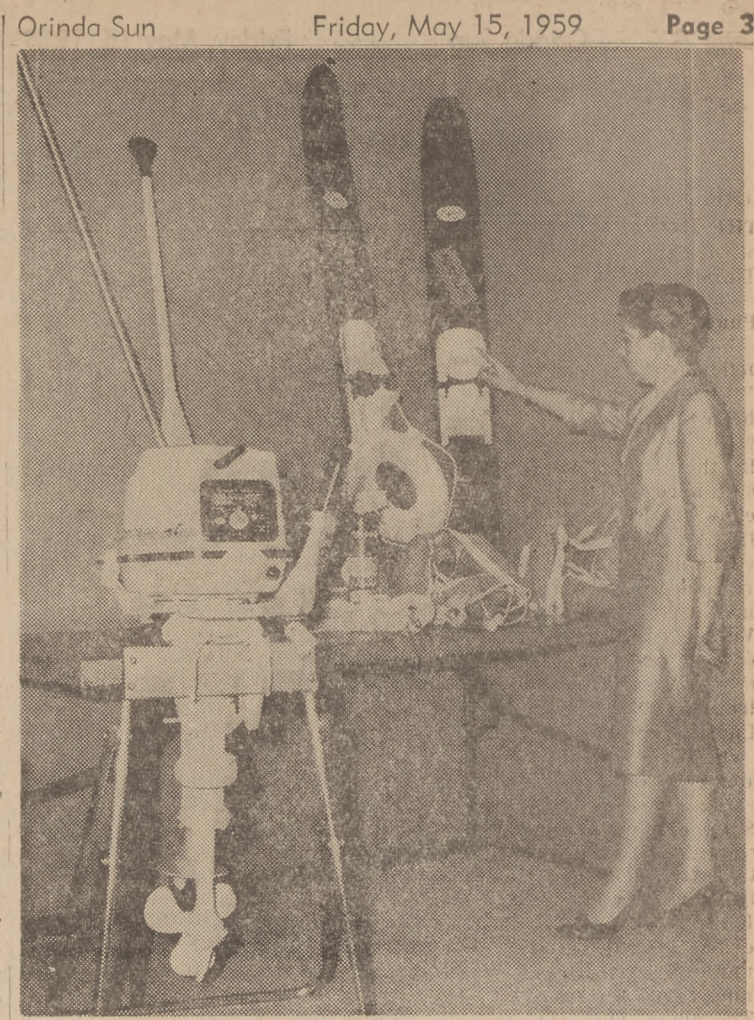

Work has been done on the exterior of Town Hall to replace shingles and paint trim.

The Dramatists have refurbished the interior in a continuing project.

A special preview of "The Rivals" was held for members last night and tonight is the official opening.

Sellout tickets are accepted until the very last night since the program has been arranged in advance.

A special performance will be given May 31 at the Pageant of Arts in Walnut Creek.

THIS LOOKS GOOD, says Betty Batesle as she goes over equipment offered as prizes in the Vacation and Boat Show Center. Betty is manager of Joseph Magnin's. All Broadway being held today and tomorrow in the Broadway Shopping concerns are participating in the show.

Just Fill Out Blank, Win Boat Show Prize

All you have to do is fill out an entry blank and you may be the winner of any one of a number of grand prizes," George Webster, chairman of the Broadway Merchants Committee, said in announcing the three-day Broadway Vacation and Boat Show.

The event will get under way tomorrow and will continue through Saturday, Webster added.

To be given away at the Center will be a motor, water skis, ice chest, life preservers, paddles, etc.," stated Webster.

"As usual, there will be no purchase necessary to win, just drop an entry blank into any of Broadway's many fine stores which will be participating in the Vacation and Boat Show tomorrow, Friday and Saturday," Webster concluded.

Litterbug Campaign Ends Today; Interest Continues

Although the six week anti-litter campaign of the Contra Costa County Highway Cleanup Committee is scheduled to end today it will be made a continuing educational project, according to Chairman W. G. Buchanan. The distribution of a new order of 30,000 litter bags, in which the committee invested the balance of its \$1,000 1958-59 budget, was under way today by members of the Oil Information Committee in the eastern and western ends of the county. The printed brown paper bags were obtained by H. N. "Scotty" Broatch of the Public Works Department and are being given to service stations for distribution to motorists. Previously 100,000 of the receptacles had been distributed. A cleanup of several hundred miles of highways within the county was undertaken during the campaign, which started April 1. Most of the work was done by inmates of the Branch County Jail in Marsh Creek Canyon, with Public Works Department truck drivers being part-time truck drivers being prisoners. Reports of effectiveness of the campaign will be given at the cleanup committee's next meeting, set for Thursday in the Board of Supervisors chambers. Attending the meeting as an observer will be Deputy Sheriff Dale Cox of Monterey County, who serves as litter control officer of that county. THE MEETING is scheduled for 2 p.m. Buchanan said committee members have reported that littering of roadsides declined appreciably during the six weeks as a result of newspaper and radio publicity and the threat of strict enforcement of the state and county anti-litter laws. The state law imposes a penalty of \$500 fine or six months in jail for conviction of littering highways and the county ordinance offers a \$50 reward for information leading to convictions.

Development Association Vote Result Tally Set

Ballots in the annual election of 21 directors of the Contra Costa County Development Association will be opened and tallied Tuesday at a meeting in the Association's Martinez headquarters. The affair is set for 7:30 p.m. with President V. A. Fink presiding. AT THE organization's April meeting, Fink appointed a committee of five to nominate 1959-60 officers. The group, headed by Carl W. Rehffuss as chairman, includes George Bowersox, Gus Ostenson, Edward M. Larmer and R. B. Claxton. The association's board consists of 63 directors, with 21 being elected annually for three-year terms. Next Saturday the directors will stage a ladies night party at the Bethel Island, featured by a dinner at the Bethel Island Boy Scout Hall with Supervisor Joseph S. Silva as chef. The affair will follow a cocktail party at the home of Mr. and Mrs. Joseph Booth.

Diablo Valley Republicans Set Last Meeting of Year

The Diablo Valley Republican Assembly will hold its last general meeting of the spring at Alcatraz High School, room 105, Tuesday May 26 at 8 p.m. Bill Bolce, President, announced today. Diablo Valley Republican Assembly includes Orinda, Lafayette, Walnut Creek, Alamo, Danville, Pleasant Hill and Concord. A round table discussion of controversial bills pending in the state legislature, how cross filing elimination will affect the Republican party, pending water legislation and labor bills now in the legislative hopper will be followed by election of officers for the coming year. All interested and registered Republicans and those interested in joining the local Republican unit are cordially invited to attend. For further information, call Republican headquarters (AT 4-4096) between the hours of 10 a.m. and 2 p.m. DRIVER TRAINING Less than half of the students who graduate from high school in California complete a course in behind-the-wheel driver training.

Art Pageant's Highlights To Include String Quartet

Anyone for "Musician's Music?"

Then attend the presentation of the Contra Costa String Quartet May 27 from 7:45 to 9:30 p.m. at the main auditorium of the Walnut Creek Recreation Center.

The performance will highlight the opening night of the Pageant of Arts program and will feature classical quartets and quintets from the works of Mozart, Grieg, Brahms, Dvorak and Schuman.

ASSISTING in numbers which call for piano is Eugene McClain of Pleasant Hill. McClain was educated at University of Vermont and University of California where he studied piano and gave several recitals. He taught music for two years at Reedley College.

At present McClain is the librarian for the Pleasant Hill High School.

Appearing also will be soprano Mrs. Marian Steinberg, member of the Golden Hind Company of Berkeley.

Attendance at the concert is invitational.

PLAYING VIOLINS are Barbara Davis, teacher at Springhill School, and Joan Dirsch, wife of Lafayette School music teacher, Joseph Dirsch. Mrs. Davis studied under Arthur Argewitz, noted violin teacher, and played with the Marin County Symphony Orchestra as well as with the Fresno Symphony.

Mrs. Dirsch played with the University of Iowa Symphony Orchestra and the University of Minnesota Symphony Orchestra. Locally she has been a member of the Peninsula Symphony Orchestra at Redwood City and the San Leandro Symphony.

Playing viola is Paul Fryer of Concord.

Oscar Busch, who plays cello, studied in Utah as well as at the University of Oregon and taught music for a number of years in California schools, including Acalanes High School.

Governor Signs Three Waldie, Masterson Bills

Three bills authorized by Contra Costa County's two assemblymen were signed into law Tuesday by Governor Edmund G. Brown in Sacramento.

Introduced by Jerome Waldie (D-Antioch), 10th assembly district and S. C. "Brick" Masterson, (D-El Sobrante), 11th district, the bills were:

Assembly Bill 535 permits a school board to pay retroactive salary to a teacher who was discharged and later reinstated after a judicial determination, regardless of whether he held a valid credential during the interim.

Assembly Bill 551 eliminates present maximum of 15-day vacation for county employees, leaving it to the Board of Supervisors to increase vacations if they desire. Another section clarifies law that an elected county official is not entitled to accumulate vacation after his term of office.

Assembly Bill 552 removes 50 per cent limit on the portion of payment a local agency may make toward a group accident and health insurance program. This allows agencies to contribute "all or such portion as it may elect" to such a program.

A Little Girl, Three Children and a Car Trunk.....

MRS. TED A. WILSON hugs her daughter, Debbie, after the little girl saved her and three boys who had locked themselves in the trunk of a car.

El Curtola Overpass Opens to Motor Traffic

Wednesday the El Curtola Overpassing structure on Sign Route 24 in Contra Costa County where construction is under way for the Walnut Creek Bypass, opened to traffic.

The new structure will carry traffic over Mt. Diablo Boulevard between areas to the north and south.

As a part of the construction eastbound connection from Mt. project underway, the present Diablo Boulevard to El Curtola Boulevard was removed.

Eastbound motorists leaving the highway for El Curtola Boulevard should turn right at the Pleasant Hill Road interchange and proceed along Relief Valley

Meet a Heroine--Debbie Wilson, a Thinking Miss

There aren't many five-year-old heroines in the world—but Walnut Creek's got one of them.

It's little Debbie Wilson of 425 Nob Hill Drive, who received credit for giving an alarm that saved three boy playmates from possible suffocation in an auto trunk.

The boys had thought it would be "the most" to lock themselves in the trunk. So they did it—and found out differently.

The car was in the driveway of a home at 448 Nob Hill Drive. It had been left there by Mrs. Harry Hemstall when she left to join friends at a swimming pool behind her home.

MRS. HEMSTALL'S son, Kip, 5, and two neighborhood kiddies, Stephen Fredericks, 6, and Robert Perona, 6, were nearby.

"I gave Kip the car keys so he could get some water skis out of the trunk," Mrs. Hemstall recalled.

Kip left the keys in the ignition and played with the skis in the pool. Later he went back to the car with Steve and Robert.

"I guess they just closed the trunk door on top of them," Mrs. Hemstall said.

DEBBIE SAW the boys and ran back to the pool. "You'd better come and get the kids out of the back of the trunk," she cried.

The adults thought Debbie said "truck." A pickup also was nearby, and Debbie started to leave. But she said something else.

"You'd better come," she said, "they're locked up in there!"

The adults followed the child. "We could hardly hear the kids yelling and crying in there," Mrs. Hemstall said. "It surely was lucky Debbie saw them get in. Could have been serious—with the temperature up in the 90s as it was."

And now Debbie's a heroine. One of Walnut Creek's finest, too.

Five Candidates Seek 2 Orinda Board Positions

There are two posts open in Orinda Union (Elementary) School District and five candidates vying for the trustees' positions.

Seeking office are Philip D. Bush, Harry Clemons, Mary Figone, Donald E. Manuel and Herbert A. Waterman.

Here, in alphabetical order, are statements issued by the candidates this week:

Philip D. Bush

The question of a unified school district covering all of the elementary and high schools of Walnut Creek, Lafayette, Orinda Moraga, and Canyon is being actively considered. This may be an advantage or a disadvantage to Orinda residents.

It is the responsibility of the Elementary School Board to present all the facts to the Orinda residents so that they can decide on this question of no unification or some unification.

The present elementary school operation is truly a big business. This business must continue to be run efficiently and programed for the future.

The tax rate is a continuing problem. The Board needs someone who can analyze this trend and explain it to interested parties so that they can act objectively on school problems.

The general pressure on the elementary schools to accelerate the curriculum will continue. The Board must be aggressive in determining the curriculum changes to be made.

Lastly, the problem of double sessions still plagues us even though the Board has worked hard and acted in good faith. However, according to all information available, there is ample time to get new classrooms ready for the influx of pupils each fall.

My education and experience qualifies me to analyze the foregoing problems and prepare the solutions so people can understand them and act intelligently.

The current Board includes no engineer, and there is no other graduate, professional engineer as a candidate. Any Board responsible for the program of the magnitude cited above vitally needs an engineer on it.

I have been more than a casual attendee at Board meetings during the last 2½ years. I prepared the five-year budget and tax forecast on which the school operation is based. I have concerned myself with the problem of unification, and my prepared questions helped forestall a premature and potentially damaging vote on April 1.

I am third generation resident of the Bay Area and have lived in Orinda for six years.

I attended Stanford University and Massachusetts Institute of Technology and have a B.S. in Electromechanical Engineering and an M.S. in Metallurgical Engineering. Currently, I am manager of nuclear projects for Kaiser Engineers and have had 20 years' experience in engineering and financial control of industrial plants.

In 1956-58 I was a consultant to the Orinda School Board in setting the five-year projections of the budget, building program, and tax rate schedules.

My wife Marjorie and I have two children, ages 9 and 4.

PHILIP D. BUSH

Harry R. Clemons

My qualifications for the Orinda School Board are:

1. Experience and training in the fields of planning, administration and finance.
2. My daily work is involved in increasing economy and efficiency of business organization and procedures.
3. From my occupations as a management engineer, I will be cost-conscious and insist on efficient administration of school affairs.
4. We need more classrooms now. School enrollment has increased from 200 to 300 in the last ten years. We can expect it to increase another 300 in the next ten years. We must plan now for the schools that will be needed.
5. Belief in public education.

My father was a public school teacher and I have always had a sincere interest in public education. I believe it is basic to the American way of life.

It needs the active interest and responsibility of the citizens of the community to achieve the desired result—a well-educated child.

Donald E. Manuel

The fine reputation of the Orinda Union School District has attracted many families to Orinda who are desirous of giving their children the best available education opportunity.

Our family was no exception and we have not been disappointed.

We know that the program now offered is good and we must be constantly alert to keep it that way.

Such achievement is not by chance but the result of hard work given willingly by competent men and women who are charged with the responsibility of directing the activities of the school district. It is a desire to share in this responsibility that has prompted me to seek election to the Board of Trustees.

My business experience has qualified me to bring to the Board a background of information which will be helpful in meeting and solving the myriad problems which face such a body.

As vice-president in charge of research and analysis for Insurance Securities Inc., the Oakland company which manages Insurance Securities Trust Fund, I am constantly delving into new and different situations with the purpose of determining their desirability for investment.

Although problems may be of a different character on a school board, the methods for seeking appropriate solutions are similar.

I am familiar with the work facing a Board member since I serve as a Trustee of Graceland College, located in Lamoni, Iowa.

It has been my pleasure to work extensively with children and youth, both in church and YMCA groups.

It is my belief that communication between the school board and the people it serves is of vital importance. In this way, mutual understanding and confidence is firmly established. I would propose to the best of my ability to give this kind of direction to the Orinda Union School District.

If this is the kind of progressive program you want to see continued in the schools where your children are being educated,

Improvement Association Meet Set for Wednesday

A public hearing on proposed municipal incorporation of Lafayette has been set for Tuesday, June 16, at 10 a.m.

The hearing will be held by the County Board of Supervisors, Hall of Records, Martinez.

At that time written requests for exclusion from the proposed city will be considered.

H. A. Waterman

Orinda's public school system must meet a number of challenges if our children are to receive the basic learning to properly prepare them for high school, college and a demanding future.

If elected to the Orinda School Board I will welcome the opportunity to help solve these problems, some of which are:

1. Construction and planning: To eliminate double sessions and to meet a coming great increase in pupils, new class rooms must be built. This requires much planning now, and consideration of all ways to obtain the most for our tax dollars.
2. Curriculum: I would continue the present emphasis on fundamentals. A balanced program that will create a respect for learning and good scholarship is essential to prepare our children for the intensified high school program, and for good citizenship.
3. Teachers: The background of the schools, they must be carefully selected so that we have the best available.
4. Unification: I have an open mind, but feel that the burden of proof is on the proponents of unification to show concrete educational and tax-saving advantages to the people of Orinda. Unless a thorough study indicates definite advantages, I would favor unification.

After graduation from the University of California in 1940, attendance at Harvard Law School for one year, and five years in the Army as artillery battery commander, I graduated from the University of California Law School (Boalt Hall) in 1948.

I have practiced law for 11 years and am now Assistant General Attorney of Southern Pacific Company in San Francisco, advising management on a variety of legal, business policy, financial, tax, and legislative matters. Litigation, and the purchase and sale of properties.

My wife, Betty, and I have lived in Orinda for eight years. We now live at 19 Vista del Mar.

Ken Forsman of the association

Ken Forsman of the association said it is likely there will be an election of nominated officers of the group at the meeting.

By-laws call for most elections by mail, but this may be waived by members if there are no further nominations from the floor.

Bill Zion, authority on municipal affairs, is expected to lead the incorporation discussion and answer questions.

It is predicted that there may be more than one public hearing, but organized opposition to incorporation has not been a factor so far, observers pointed out.

If Lafayette is incorporated after July 1, the new town will gain from tax fund disbursements and will be entitled to certain county service through the fiscal year.

Library, Recreation Posts Filled

A Mt. Diablo Unified District librarian and a health consultant from the Monterey County Schools have been appointed by County Superintendent Floyd Marchus and the Contra Costa County Board of Education to positions on the county superintendent's staff.

Walter H. Harris of Concord has been appointed to head the Contra Costa County Schools Library, and Byron T. (Barney) Cross has been named coordinator of health, physical education and recreation. Both appointments are to fill vacancies on the staff of the county superintendent.

The positions pay \$10,500.

HARRIS, 38, has been a librarian in Mt. Diablo Unified District since 1957, previous to which he was librarian and audio-visual director at Vernonia, Oregon, elementary school district. He has also been a teacher of all elementary grades and supervisor in North Dakota schools.

Harris and his wife and two children reside in Concord.

The new librarian, who fills a vacancy created by the resignation of Miss Mavis O'Reilly a year ago, graduated from Minot State Teachers College in North Dakota and received his master of education degree from the University of Oregon. He has also done graduate study in library science at the University of San Francisco.

Harris is no newcomer to Contra Costa County, having been employed in the shops of Union Oil Company at Oleum from 1944 to 1949.

CROSS, 31, is also married and the father of two children and is a veteran of World War II. He succeeds Dr. Harold Weatherbe, who has been advanced to administrative assistant in the office of the county superintendent.

Cross graduated from King City High School and received his bachelor's and master's degrees from San Jose State College. He has done graduate work at San Francisco State College and the University of California.

The appointments by Dr. Marchus were confirmed May 6 by the County Board of Education.

Cub Scouts to See '49er Film

Boys of Cub Scout Pack 211 will meet at Sleepy Hollow School tonight to see films about the '49ers on loan from the State.

Hugh McElhenney, '49 star, will deliver the commentary about the movies.

Parents and boys of the pack are invited to attend the 7:30 p.m. meeting.

Park Commission Urges Hiring of Parks Director

Strong endorsement of the Park Commission's recommendation for employment of a park director in Contra Costa County was presented to the board of supervisors at a specially scheduled hearing Tuesday.

William Drake, who spoke as president of the Contra Costa Park and Recreation Council on the county's need for expert technical leadership to realize a park program, received support from many local organizations.

REPRESENTATIVES from AAUW, PTA groups, sport clubs, labor unions, Girl Scout groups,

improvement clubs, women's clubs and interested individuals from widespread sections of the county were included in the 60 persons who attended the session.

In pointing out the county's already large investment in parkland, Drake stated, "We must make the most of our money by seeing that we have a sensible and economic plan from the beginning. Savings in land costs alone would pay for the park program for many years."

"A park system would be an asset to our county," he continued. "It would raise property

Haley Baby Dies After Illness

Funeral services were held Monday in the Chapel in the Valley, Lafayette, for baby Sybil Lynne Haley, age 3 1/2 months.

The twin daughter of Mr. and Mrs. S. A. Haley of Tarry Le died May 7. She had been ill for some time.

Mr. and Mrs. Haley have two other daughters, Janice Elaine and Judith Anne. Sybil's twin brother Syd Huston Haley, II, also survives.

The infant's grandparents, Mr. and Mrs. Syd Haley, Sr., live in Nashville, Tenn. Mrs. Earl, the maternal grandmother, is a resident of Michigan.

The Rev. Clarence Blossom of the Lafayette-Orinda Community Church officiated.

Girls' Groups

Miramonte High School's Girls' Group will hold a "Good" Festival under the direction of Gordon

of the Northern California Music Festival held at Stanford University.

STUDENTS in this group were chosen by audition last fall. They are Hilary Brown, pianist, Leslie Compton, Lynda Davis, Suzi Kubank, Linda Hart, Jeanne Hillmer, Carri Loe-

Go to Church Sunday

Baptist

"Let's Listen" will be the message topic of Rev. Bruce H. Parker at the 11 a.m. worship service of the First Baptist Church of Orinda-Lafayette in the Veterans Memorial Building, Lafayette.

Sunday school commences promptly at 9:45 p.m. with bus service provided from both Orinda and Lafayette. There are classes for all ages.

During the morning worship service Junior Church and Nursery care are provided.

Baptist Youth Fellowship begins at 6:45 p.m. with groups from Jr. High through College in attendance.

At 7:30 p.m. the evening program begins with an old fashioned song service and a concluding message by the pastor from the book of Revelation "Rebellious Renegades."

Monday evening the "C" Men's Christian Fellowship will convene at the First Baptist Church of Pleasant Hill for a Pot-luck dinner. The affair will start at 7:30 p.m. and all men are invited.

Wednesday evening the Prayer and praise meeting will meet in Lafayette at 7:30 p.m.

Tonight there will be an "All night of prayer" which will begin at 9:30 p.m. Any requests for prayer will be remembered by calling Clifford 4-2194.

All services of the First Baptist Church of Orinda-Lafayette will be held in the temporary quarters of the Veterans Memorial Building until the new sanctuary is constructed.

Methodist

The Lafayette Community Methodist Church will hold Sunday morning worship services at 9:30 a.m. and 11 a.m. with the Reverend Henry Page White preaching on the sermon topic "Togetherness." Nursery service is provided at both services. Church School for all ages is at 9:30 a.m. There is also a Bible Class for high school youth and adults at 9:30 a.m. Sunday evening the Methodist Youth Fellowship will meet at 7 for a presentation on the organization of the MYF given by the Council. Volleyball is at

6:30 p.m. All high school youth are invited.

Wednesday: 10 a.m. The Bible Class will meet in the home of Mrs. T. Erwin; the Prayer Group meets at 1 p.m. All interested women are invited to attend.

Thursday: At noon the Women's Society of Christian Service is sponsoring "Luncheon is Served" at which a delicious luncheon will be served for \$1.25. Members and friends of the Church are encouraged to attend. Please call the Church office for tickets.

Episcopal

Services of morning prayer and Holy Communion will be held at the Park Theatre at 10:30 a.m. on Whitsunday by St. Anselm's Episcopal Church. The Rev. Clarence Stacy, vicar, will officiate.

Children will assemble for Church School with pre-schoolers meeting at 979 First Street, kindergarten through second grades at 3515 Mt. Diablo Boulevard, and third grade at 949 Moraga Road. Fourth through eighth grades will gather at the theatre. A nursery for infants is provided in the theatre lounge.

Holy Communion will be celebrated at 10 a.m. on Wednesday at the vicarage, 682 Michael Lane.

The first confirmation classes from St. Anselm's will be presented tomorrow to the Rt. Rev. James A. Pike, bishop of the diocese of California. The services, to be held at Grace Cathedral in San Francisco, will begin at 12 noon and all are welcome to attend. New confirmation classes will be forming sometime in June.

There will be a meeting of the Presbytery on Wednesday at 8 p.m. at St. Stephen's Episcopal Church, Orinda. Members will be gathering for the purpose of making preliminary plans for a mission to be established at Pleasant Hill, Calif.

Volunteers to assist with construction on the Canterbury Chapel are urgently needed, and are asked to call Bill Sims at AT 3-3805.

Lutheran

Worship services will be held at 8 and 11 a.m. at Shepherd of the Valley Lutheran Church, 294 Orchard Road, Orinda.

Pastor Hidy will speak on the subject, "Come Holy Spirit." Sunday School classes will be conducted for all ages, beginning at 9:30 a.m. under the leadership of Charles Ivy.

The Luther League will meet at the Church at 5:30 p.m. for devotions, and then to the Ice Arena in San Francisco for an evening of skating and fellowship. Families are invited.

The 68th Annual Synodical meet-

JUNIOR HORSEMEN are getting ready for the fourth annual Moraga Junior Horse Show to be held Sunday. Starting at 8 a.m., Juniors will compete at the new Moraga Horseman's Arena in Bollinger Canyon. Preparing for the event are, left to right, Kathleen Marron, Harold Coffin, Nate Lincoln and Ronnie Sanders.

ing of the Pacific Southwest Synod of the United Lutheran Church will begin with Holy Communion at St. Mark's Lutheran Church in San Francisco, Monday at 4 p.m.

The meeting will continue through to Thursday noon. Pastor Hidy and Gene Heckathorn will be the delegates from our congregation, with Charles Ivy as alternate.

Christian Science

Dr. Howard P. McConnell has been called as organizing minister for the new Lafayette Church, a member of the Christian Church (Disciples of Christ) Fellowship.

Dr. McConnell will appear for the first time before the group at their sixth planning session Thursday night at the home of Mr. and Mrs. Don Tunnichliff, 147 Las Vegas, Orinda.

THE NEW church which will serve the Orinda, Lafayette and Walnut Creek areas, will begin services Sunday, June 7.

The effort is being assisted by the state organization, the Christian Churches of Northern California and by the Christian Churches in Oakland, Berkeley and Concord.

MEMBERS of the steering committee who will direct the work of the new congregation until formal organization are:

Lonnie Harmon, chairman, Lafayette; George Shoptaugh, vice-chairman, Lafayette; Elsie Buchwald, Lafayette; Mrs. John Mark, Lafayette; Mrs. Walter Meyer, Lafayette; Dr. Charles Eslinger, Lafayette; and Don Tunnichliff, Orinda.

Baptist

"The House of Character" will be the theme of the message by Rev. Alan D. Southwell at the 11 a.m. worship service of the Moraga Community Baptist Church this Sunday now meeting in the Moraga grade school. A

church family potluck will be held Sunday evening at 5 p.m.

Church school for the entire family begins at 9:45 a.m. with a special children's story by Elsie Hunter.

Womens "voketellow group" meets at 10 a.m. Wednesday morning at the Moraga grade school. A nursery is provided for babies and pre-school children.

Episcopal

Services of holy communion at 8 a.m., 9:15 a.m., and 11 a.m., with the Rev. Dr. Massey Shepherd, professor of liturgics at the Church Divinity School of the Pacific, as celebrant, will be held on Whitsunday at St. Stephen's Episcopal Church, St. Stephen's Drive and Via Las Cruces, Orinda.

DR. SHEPHERD will be assisted at the 8 o'clock service by the Rev. Clarence Stacy, vicar of St. Anselm's Episcopal Church, Lafayette, and will deliver the sermon at the later morning services.

The Rev. Albert Lucas, rector, will be attending a conference at Asilomar.

The junior choir will provide music for the 9:15 service, and will sing as an anthem, "Lord of All Hopefulness," a traditional Irish melody.

The service at 11 o'clock will be a full choral holy communion, with the senior choir singing as an offertory anthem, "Alleluia" by Thomas Weelkes. Richard Colvig, choirmaster and organist, will direct both choirs.

Church school will meet for kindergarten through eighth grade at 9:15 and for three year olds through fifth grade at 11 o'clock, with nursery care available in the basement of the rectory at the latter service only.

MEMBERS of the Young People's Fellowship will be attending the convention of the Episcopal House of Young Churchmen at Asilomar from Friday through Sunday, and will have no regular meeting at the

church.

They will be accompanied at the convention by Mr. Lucas and Dan Matthews, seminarian and advisor to the group.

The junior teens will be guests of the young people's group at the Orinda Community Church at a dance on Friday, May 23.

Mid-week services of holy communion will be held Wednesday at 10 a.m. and on Thursday at 7 a.m.

Christian Science

Mankind's need for spiritualization of thought will be emphasized in the Lesson-Sermon of the churches Sunday in the Lesson-Sermon entitled "Mortals and Immortals."

THE CHRISTIAN SCIENCE Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek; and in Concord at the corner of Grant and Park Streets.

Christian Science Society of Pleasant Hill holds its services at the Pleasant Hill Grange, 600 Gregory Lane, Pleasant Hill. The Christian Science Society of Lafayette meets at 3406 Mt. Diablo Boulevard, Lafayette.

Bible selections will include the following from Philippians (2:14, 15): "Do all things without murmuring and disputing: That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world."

A correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (265:5): "Mortals must gravitate Godward, their affections and aims grow spiritual,—they must near the broader interpretations of being, and gain some proper sense of the infinite,—in order that sin and mortality may be put off."

The Golden Text is from Romans (8:8): "They which are the children of the flesh, these are not the children of God."

Junior Pilgrim Fellowship will go on retreat to one's Gulch, San Mateo County, on Saturday and Sunday.

Teacher training for new teachers will be held in the Livingstone Room Monday, 8 p.m.

Clipper Club will hold its May meeting in Fellowship Hall on Friday evening, May 22, at 8 p.m.

Professor Everett Howe will present a program on his recent trip to Europe, Africa and the near East.

Lutheran

The Festival of Pentecost will be celebrated at both the 8:15 and 11 a.m. services at Our Savior's Lutheran Church, 1055 Carol Lane, when the pastor will preach on the theme, "Danger, God at Work."

There will be reception of new members at the 11 a.m. services. Nursery care is also provided during the second service.

SUNDAY SCHOOL classes are held for the pre-schoolers through the adult department at 9:30 a.m. A second section of Sunday school is available at 11 a.m. for the pre-school age through the sixth grade.

Sunday evening at 6 p.m. both the junior and senior Luther Leagues will meet.

THE CALIFORNIA district of the EVANGELICAL Lutheran Church will hold its annual convention on Tuesday, Wednesday and Thursday at Immanuel Lutheran Church in North Hollywood.

The pastor and several laymen will be in attendance.

The Sunday school teachers will hold their monthly meeting on Tuesday evening at 8 p.m.

Thursday evening is choir time. The junior choir meets at 6:30 p.m., intermediates at 7:20 p.m. and the seniors at 8 p.m.

The junior and senior confirmation classes will meet on Saturday morning at 10 a.m.

Presbyterian

The Rev. William Carl Thomas will begin a new series in weekly sermons on Sunday at the Lafayette-Orinda Presbyterian Church, entitled "Alternatives to the Christian Faith."

He will present the topic "Hedonism of the Pursuit of Happiness" at the 9 and 10:30 a.m. worship services this week, 49 Crest Road, Lafayette.

Church school classes for beginners through sixth grade will be held at 9 and 10:30 and nursery will be provided at both hours.

The junior high group and the Westminster Campus Club (high school) will both meet Sunday evening from 6 to 8 p.m. for Bible study and fellowship.

CLASSES FOR prospective members and persons wishing to investigate the Christian faith conclude this week. Adults will meet Sunday at 4 p.m. (nursery); junior high and high school students on Thursday at 4:15 p.m.

A seminar in story-telling techniques will be held on Wednesday at 7:30 p.m. in the Fellowship hall for teachers and parents of children through the sixth grade. It is open to all interested persons.

The women's association will hold a luncheon on Thursday at 12:30 at the church, with Mrs. Kelmore Spencer, missionary from Korea, as guest speaker. Nursery provided.

The speakers series will continue Friday night at 7:30 p.m. with Rev. Kelmore Spencer, missionary from Korea, as speaker. His topic will be "Is there a Christian Answer to Personal Problems?" The discussion will be held at the home of Bob and

Transfer Brings Protests

Although an estimated 300 signatures to letters and petitions asked the Lafayette Elementary School Board not to transfer a school principal, the board did just that last Monday night at its regular meeting held at the administration building.

The principal involved is Mrs. Helen Cory, principal of Burton School since it opened in 1954.

At Monday's meeting Mrs. Barbara Goldeen spoke on behalf of Burton School parents, asking the board to retain Mrs. Cory as Burton principal.

AFTER HEARING Mrs. Goldeen, the board adjourned to closed session and transferred Mrs. Cory to be principal of Vallecito.

The move was made on motion of Mrs. Helen Brittain, seconded by Board President Boardman Moore and passed, to replace Mrs. Cory with Nick Barbieri, a teacher at Stanley School.

Under the same motion and seconded it was decided to assign Louis Monteleone to the position of Montecito School principal and Mrs. Eleanor Diel to Merriewood School principal.

Again under the same action, the board assigned Mrs. Grayliss Vossler to the position to general curriculum consultant to the district.

BOARD POLICY is that personnel discussions, including assignments, granting of tenure

and similar matters where personalities may be involved are always held in closed sessions.

The press is not admitted to these sessions, nor are spectators.

Under state law school boards have the right to hold closed sessions on such subjects.

Teacher salary questions are generally held at public meetings, however.

Mrs. Goldeen told The Sun that some 300 parents signed petitions or wrote letters to the board when word leaked out that Mrs. Cory would be transferred to Vallecito.

"OTHERS MADE phone calls to board members," Mrs. Goldeen said.

"This is not a protest against Mr. Barbieri," she stated. "He may be quite competent."

"But what I resent most is the fact that the board didn't give us a real hearing."

"Boardman Moore was very courteous," she added.

"But many of us ask if this is truly the democratic process?" she said.

"And," she added, "We wouldn't want to do anything to jeopardize Mrs. Cory's position in the school system."

"Mrs. Cory is an excellent administrator and has done a most satisfactory job through the years."

"We admire her and feel she is good for Burton."

To Force Muni Court Would Be Disservice

The attorney, or attorneys, who bring action to change the Walnut Creek Judicial Court from its present status to a Municipal Court will be doing the taxpayers a grave disservice.

News stories in the front section of this issue of The Sun reveal that at least one local attorney is contemplating such action now.

We seriously doubt the need for an additional municipal court at the present time. Eventually, this will be a necessity, and will probably happen in two years after the next census.

But it shouldn't—and doesn't have to—happen now.

THERE IS NO question but that a municipal court could be established in Walnut Creek tomorrow if an attorney wished to bring action to see that it came to court.

The primary objection, of course, is the cost to the taxpayer.

For the 1956-57 fiscal year, the net operating profit of the Walnut Creek Justice Court was \$42,513.35.

The NET LOSS of the Concord Municipal Court for 1957-58 was in the neighborhood of \$16,000.

IT IS IMPORTANT to remember that the Walnut Creek Judicial District covers Orinda, Lafayette, Walnut Creek, Alamo and as far north as Geary Road. The population estimate within its boundaries is estimated at about 90,000 people.

But there are also two municipal courts that serve this population area—Concord and Richmond.

When the Concord Municipal Court was formed in 1956, The Sun was in favor of the move because it seemed absurd for residents of this area to have to travel to Richmond for cases requiring a municipal court.

But Concord is not that far away, and besides, it is not "swamped" with work.

BUT EXPENSE IS still the major factor. It would be more expensive for each of us, as taxpayers, if the judicial district were converted to a municipal court district, because the salary of the judge is increased, a clerk is required, and a bailiff is necessary.

Furthermore, it would make the process of law more expensive to the person who must appear in court, because it is more expensive to file in a municipal court than a justice court.

Only a technicality—the fact that our population allows it—can be the argument for establishment of a municipal court in Walnut Creek now.

It is true that nothing can be done about it. If an attorney, or group of attorneys, wishes to force the issue, a municipal court is a certainty.

But it would be a gross disservice, and we do not feel that any such person or group of persons has the moral right to force the issue. It is true, a technical right exists, but there is no moral justification for forcing the issue.

Now, Don't Drop the Ball!

Have you been accused recently of failing to live up to your responsibilities?

Whether you know it or not, you have. And whether the shoe fits or not is a decision you will have to make.

You can make this decision Tuesday.

YOU WILL BE faced with a choice of trustees for one school board post or another. In Orinda and Walnut Creek, the elementary district trustee race is a contest in the Mt. Diablo Unified School District and the Acalanes High School District.

So no matter where you live, you will only live up to your responsibility if you go to the polls Tuesday and vote.

Now about that accusation. It was recently stated that the residents of our communities are not interested enough in school affairs—that many people have only a negative attitude.

UNFORTUNATELY, this is true of some people. But we do not think it is true of the majority of our residents. It would be difficult to find an area where the residents are generally more aware of local problems, and active in local affairs than they are here.

This is an important, decision, too. You are not voting just for a person who is running for a political office, because that isn't the case.

You are choosing a member, or members, of a board which will decide on the educational policy that will affect your child's future.

And these same trustees will decide on the budget that will affect a major portion of your tax bill.

Tuesday will provide you with the opportunity to do something important. This is your chance to come through.

Don't miff it!

It Just Isn't Candy...

Each week 54 children are rushed to East Bay hospitals because they found and swallowed a poison product.

That makes for a lot of sick, kids—and worried, frantic parents.

And it's all so unnecessary. Do you have any idea what most frequently poisons children? Aspirin, that's what!

It may sound humorous, but it isn't funny. Many times children are given candy-coated aspirin and led to believe that it is candy. Naturally, the child, like any normal youngster, is going to get a handful of candy if he can.

THE NEXT STEP is the hospital—or the morgue.

Here are a few facts you might like to remember.

1. The two-year old is most often involved in an accidental poisoning.
2. Medicines—especially aspirin—are most frequently ingested by the child.
3. Petroleum products—paints, kerosene, thinners—are the second most

common cause of child poisoning.

4. INSECTICIDES and fertilizers—particularly in the spring and summer months—are also high on the list.

Of course, with time on your side, a good stomach pump and a little luck, it might not be a fatal case of poisoning.

But there's an easier cure—and that's prevention.

Why not keep all poisons out of the reach of children. Keep your medicines in a locked medicine chest and your garden sprays, etc., in a locked cupboard.

OH YES, AND while you're at it, you might explain to the youngsters that aspirin isn't candy. In fact, you might avoid use of the candied product entirely.

Your children might not like the taste, but at least they won't acquire a taste for a potential poison.

And it's a lot easier to prepare in advance than it is to try driving to the nearest hospital with a very sick child in your lap.

By FRED FROMM

The Mad Poet once burned his tigers in forests of the night. We get ours via station wagons on freeways—or so it went the other night.

Personally I'd like my Mr. Stripes served up with bars and garnished with a padlock. Might make him toothless for good measure. Or clawless. I like my skin, you see.

Not so everybody. Take Bob Ketchum, the chap who was stopped by the cops the other night. Ketchum had his striped one close. In the front seat. Where he could reach out and scruffle the ruff on the beast's neck.

Wonder how that went? The cop stopping Ketchum, I mean. I know it was fun for all concerned.

It could have been like this, I think... "WHO-DE-DO..." hummed the state's finest as he came up to the car. Perhaps he even whistled a soundless tune. It wasn't much anyway. Just an errant driver. A knight of the road gone wrong.

"Well, what's with it?" the cop asked. The driver cracked the window of the station wagon. "Operator's license," said the cop, and the driver rolled the window all the way down.

"Aw, now," he told the cop. "My partner and I was just havin' a little fun—just playin'."

"Never mind—make with the license," said the cop, and the driver got it out and the cop leaned down.

"Wrruff!" said Mr. Stripes. "What in...?" went the cop. "Ha!" went the driver.

The tiger flapped one paw on the back of the seat, leaned across his "buddy," and fixed an unholy eye on the khaki.

"You mean...?" asked the cop. "Yeah," said the driver.

The tiger just purred. It was his right...

Now that's pretty close to what might have been, I think. Still, there's another funny thing that happened—that was. It came out when The Sun was tracking down the whys and wherefores of the Ketchum story.

Ketchum, being a merchant seaman, is a little footloose. No listed phone, and The Sun wanted to find him. So we began to check his Oakland neighborhood, and called a bar.

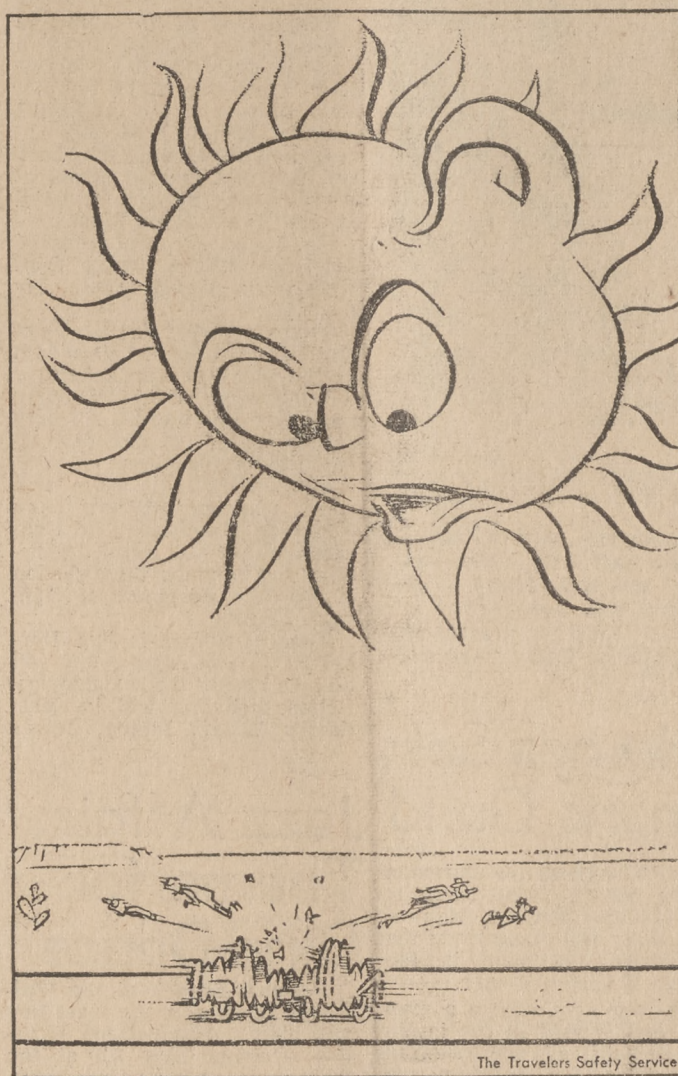

"KNOW WHERE WE can find Bob Ketchum?" we asked. "Say..." the bar owner said. "That guy don't hang out here. I don't want any part of that blank-blank tiger!"

Time for All Good Men To Come to Aid of Party

By MARIE MONAHAN

THIS IS the season of The Cocktail Party. An affair usually held in someone's new split-level, swimming-pooled landscaped & highly-mortgaged backyard.

WHERE no one ever considers the ratio — of how many persons per sq. ft. will fit on the patio.

The Cocktail Party! A thing dreamed up by the Busy Ones to raise money... Where everybody has a gay & giddy time calling everybody else's spouse "Honey".

The invitations for these get-togethers always read "Please come from 4-7, but the guests invariably interpret THAT to mean that things will hum from 8-11.

IF THE PARTY is crowded & you can't budge a bit or talk above the din, then it's a smashing success, a social hit, The Girls have made it & they're IN!

On the other hand, if there's room to breathe & stand, a feeling of space in the place & no jazz band, this casts a gloom & guests straggle in & out while the hostess ladies pout their Doom.

The next time they're raising moola, they'll throw in free leis, a Luau & get someone to do a little Hoola.

AT SUCH a party you see the same faces you saw at the same party last year... & so go the verbal greetings at these meetings, "So Goo Dto see you, My Dear."

The repartee of me & thee — Goes back & forth exclusively.

The Ladies all look to see who's wearing what (or if maybe she's NOT!) Someone spills a drink right down the front of your shirt & you wish you could take off your shoes because they're brand new & boy, do your bunions hurt!

Well, Friend, you're not alone if you wish you were home, Oh! Just to sit back & watch Perry Como!

Ah, The Cocktail Party! Perfect little social soiree, where the women live it up & want to stay & stay & stay... Duttful husbands dispensing the drinks Beautiful wives in shantungs & minks The fancy hors d'oeuvres

The noise on your nerves The glass full of ice-cubing clinks!

THE PARTY reaches its peak, you're part of a chic-looking clique. Someone mentions dinner (& the drinks ARE much thinner) so you hunt for your wife in a pique.

& like all other good guests, as you depart through the door, you wonder as you wonder

Now which Charity was THIS one for !?!

Local Towns Top Quotas In Cancer Crusade Drive

Remember Poppy Day, re-minds the American Legion Auxiliary.

The crepe paper flowers emblematic of veterans the nation over will be distributed locally May 22-23, says the auxiliary.

Veterans who have defended our country in two World Wars and the Korean Conflict make the poppies, says Mrs. Betty Neller, chairman. Hospitalized veterans who have no other income participate, she says.

The poppies are offered for donations to help such veterans and their families.

Contra Costa County currently ranks fourth among California's 57 counties in success of the 1959 Cancer Crusade, Guy Spencer, county chairman, announced today.

With approximately 95 per cent of contributions counted, the county has received more than \$58,000, topping its quota of \$55,715, Spencer said.

Spencer also urged those who were not home during the recent campaign when more than 6000 volunteers called on the more than 100,000 homes in Contra Costa County, to mail in their gift to help find the answer to cancer.

Letters to The Editor

HOSPITAL FUND

Dear Editor:

The board of Trustees of the new John Muir Memorial Hospital has been asked why a fund raising campaign will be conducted.

Attainment of our goal of \$750,000, in public donations from individuals, businesses, clubs and organizations will enable us:

(1) To build a 100 bed hospital instead of just 50 beds: (we need 275 beds.)

(2) To substantially reduce financing charges: (for each dollar contributed we save two additional dollars.)

(3) To put the hospital on a firmer financial basis — take off some of the burden of bed patients having to pay all the operational and amortization costs.

It will be possible to employ more nurses; have better food and bed rates and extras, such as private rooms. I am personally donating to this non-profit hospital because of:

(1) The critical need for additional hospital facilities. We could use 275 additional hospital beds right now in central Contra Costa County, not counting expected population increases, according to the minimum criteria of the California State Bureau of Hospital Standards.

An epidemic, catastrophe, or war disaster could make our hospital bed shortage tragic.

Ask your family doctor for confirmation on this shortage; or perhaps you've had personal experience.

(2) A desire to keep taxes down. Public donations will help prevent the necessity of formation of a tax district hospital.

The sheer weight of the need will surely force this on us if we don't take advantage of the current plan for a community non-profit hospital.

So, for those who see the need and are concerned about taxes, here is a most constructive way to do something about it.

ELECTRICITY

Dear Editor:

Your newspaper printed a picture in a recent issue showing a baby playing with an electric outlet. The caption read: "Don't leave electrical outlets where children may get to them. Serious injury or even death could result."

We would like to compliment your staff for bringing this to the attention of your readers. Publicity such as this is very helpful to the electric industry in its efforts to keep consumers "SAFETY" conscious.

Electricity is wonderful stuff to have around and is perfectly safe when properly used. When carelessly handled it can be dangerous.

C. L. Odegard manager Pacific Gas and Electric Co.

ED NOTE: The photograph was taken by Sun photographer Rod Lomas. The baby was his five month old son, Fabian Alexander. Of course, the picture was posed and the child was not in danger.

PUBLICITY

Dear Editor,

I have been publicly chairman for two organizations, the Diablo Valley Home Economists in Homemaking and the American Legion Auxiliary.

I wish to express my sincere thanks to you and your staff for giving us such good coverage throughout the year.

The new Home Economists' publicity chairman is Mrs. Paul Wilhelmson and the new American Legion Auxiliary's chairman is Mrs. John Hinkson.

Thank you, JANE GUILIERI

BARN DANCE

Dear Editor:

The members of the Orinda Woman's Club wish to take this opportunity to thank you for the excellent publicity given to us in regard to the recent Barn Dance held by our organization.

As you know, the dance was held to raise money for a scholarship to be given to a student from Miramonte High School, and with the help of the coverage given us in your paper, we feel the event was an outstanding success.

Junior Baseball Is Fine; Let's Keep It That Way

By HERMAN SILVERMAN

Baseball season is here—as if you didn't know it! The major leagues are going great guns. But the really important leagues are just about ready to open—baseball for boys. (Junior baseball, Little Leagues, recreation leagues, Babe Ruth Leagues, American Legion Leagues, etc.)

These leagues are wonderful for our boys. But sometimes I wonder if they are good for the parents.

Yes, this is going to be my annual warning to adults —"the game is for the kids." Let's not ruin it for them. How?

Win, Win, Win!

The primary problem is adult pressure on the boys —"be a winning pitcher, be a hitter, be a winning team." The adult desire to win sometimes becomes too important.

I have seen parents scold their own child in public because he struck out or made an error. I have seen an adult coach bawl out the team in public for not winning. I have seen adults display very poor sportsmanship in front of their children—booing the opposition, razzing the umpire, losing their tempers.

I hastily point out that these are the antics of a small number of adults. It is not general.

Junior baseball is wonderful. Many adults spend much time, money and effort for the boys. Merchants help finance some leagues. Organizations also devote their efforts on these programs.

Yes, baseball is a wonderful game for our kids. Let's keep it that way.

More parks in the future

Speaking of recreation, we have good news from Sacramento. The California Assembly and Senate have approved legislation permitting public reservoirs to be opened for recreation. The bill now goes to Governor Brown.

The measure provides that a publicly-owned reservoir be opened for recreational purposes upon petition of the county board of supervisors in whose county the reservoir is located. (The Supervisors would first get the approval of the State Department of Public Health).

If the water agency refuses to open the reservoir, the issue would then go to a vote of the people in the water district. Exempted from the bill would be reservoirs which supply drinking water to areas without purification systems. (EBMud water is purified after leaving the reservoirs).

Close to home

What does this mean to you?

Well, a few minutes from your home are some very beautiful reservoirs which could and should be opened as parks and recreational areas. I am, of course, referring to the reservoirs of the East Bay Municipal District—San Pablo Dam, Chabot, Upper San Leandro, and Lafayette.

EBMud has fought this for years. And they certainly will try to get Governor Brown to veto the bill. (Let's write him to approve it). EBMud is stubborn on this issue, as it is on so many other things. EBMud is wrong. Let's hope these wonderful recreation areas will be open in the not-too-distant future.

ANOTHER RECREATION NOTE: how long since you've driven up Mt. Diablo? I made the trip again on a recent Sunday. It is a superb view and an interesting, colorful trip.

We live in beautiful country, with many things to do and see. But we often fail to take advantage of our locale.

On The Lighter Side

By CAROL HODGES

The Oriental Tea "Ocha no Kai" presented by the Women's Club of Walnut Creek was a fascinating affair. The Diablo Nisei Women's Club was responsible for the charmingly simple floral arrangements which framed the Club's main room and enhanced the tea table.

All sorts of oriental delicacies were served—such a nice change from the usual frothy pastries. Mrs. Verner Muth, chic in a corn-flower blue ensemble topped with a huge flower trimmed hat, introduced the entertainers. Mrs. Joseph Deguchi, in native garb and lovely as a lotus, demonstrated flower arranging and then introduced two little dolls—Darlene Desuchi and Sandra Yamamoto—who delighted the guests with their traditional dances.

There's an answer to every problem . . .

Popular Rosemary Nichol introduced a most interesting guest, Miss Meral Sever, an exchange student who has been attending Las Lomas. It seems that when Meral arrived from Iraq to participate mainly in the economics program, she was surprised to find that at one must purchase patterns, materials, etc., in order to sew. The members of the Women's Club came to her rescue, provided the necessary funds, and were thrilled when they witnessed her modeling the six or so costumes that Meral made.

Such a flare for color and design, and SUCH a wardrobe with which to return home! Mrs. M. C. Blender was there as Mrs. Sam Adkins looking lovely in a dusty-rose knit suit made by her daughter, Helen Samuels. Just back from a convention in France were Lillian Sam (doing hostess duties in a gorgeous Japanese robe) and Frances Harmon.

Jean Hines was breathtaking in lilac from head to foot—her chapeau a heavenly concoction of lilac tulle. Helen (Mrs. Leonard) Ford, her chignon encircled with tiny pink rosebuds attached to a veil, was there with Miss Hazel Krohn newly here from England. Nanette Briley wore a bright, bright red full skirted frock with matching hat and Mrs. Barney Gilbert, busy with serving, was in bright blue.

A lively group . . . with travellers

A lively group turned out for the Lafayette Swallow's (a unit of the Mt. Diablo Therapy Center) Cocktail Dance at El Nido recently, and winging their way back from the Jaycee convention in Santa Monica just in time to greet the guests were President Lois Simonds and husband, Jim.

Spotted in the crowd were Jean and Hal Bates, Marguerite and Bill Coffey and Mac and Ann Nilsen. The "Charleston" didn't frighten Dorothy and Chuck Nunes or the Ken Alexanders off the dance floor, while George and Marilyn Eichelbergers were glimpsed out by the pool, along with Margaret and Lee Schell.

When the Maurice Anger "trio" packed up their banjo and piano at 7 o'clock, many groups gravitated toward local eateries; the George Sankos went to the Concord Inn with the R. Don Youngs, George Habers and Bill Banks. Ruth and Ted Barcelona continued the evening with the Ted Taylors of Orinda, and the Joe Connors. Many more lucky party-goers were invited "home for dinner"; the Merrill Neumanns of Alamo, Kenny McKessons of Oakland, Robert Preeces and William Gruvers of Lafayette were guests of Polly and Peter Grayum.

Darlene and Jack Franck played host for Dr. and Mrs. John Turner, the George Schneiders, Thomas Jennings and Lester Johnsons of Lafayette, and Miss Megan George, a visitor from London. Kay and Frank Wick served an after-party supper for Mr. and Mrs. Eric Erickson of Walnut Creek.

The Glen Alaries of Walnut Creek were included in a group invited by Gladys and Willard Burton. Thelma and Dick Rockwell hosted the Fred Allens, Ralph Davises and Austin Merrills of Lafayette. Missing from the scene were Betty and Cam Ashby who were busy with a Sunday project of their own—a 7 lb. baby boy born in Oakland just as the party started!

This was a REAL bang-up affair . . .

The 14th Annual Festival of Flowers, held in the adjoining gardens of Charles P. Howard Sr., Mr. and Mrs. H. K. Howard and Mr. and Mrs. Peter Howard in Walnut Creek, was a tremendous success. The grounds were ALIVE with color—both synthetic and natural.

The numerous hand made rose trees, styled after the French Topiary Tree, adorned each table, and five foot "Topiaries" marked either side of the four entrances from which forty lovely models glided in the garden settings. Each of the four areas boasted its own color scheme. Colored and white tissue had been worked into thousands of rose buds that in turn were worked onto the "trees" and placed on gay table cloths. The color combinations were white and pink, white and green, yellow and chartreuse, and blue and white.

This effective project was the result of Mrs. A. Keyes George and her hard-working decorating committee. Dreamboats—a pastry filled with whipped cream and fresh fruit—were served with a choice of tea or coffee. Mrs. Robert Haumeder and her helpers, all members of the Walnut Branch, efficiently served the 1200 guests without the aid of outside catering, while Mrs. Robert Hopper and committee arranged the physical setup of tables, chairs, etc.

Mrs. Edmund Boero, with her assistant, sailed through the tasks involved in the fashion end of the show, and four able commentators: Mesdames Harmon Howard, Donald Kientz, Robert Wentz and William Imbrie covered each ensemble in minute detail.

The 36 members of the Walnut Branch under the general chairmanship of Mrs. Monroe F. Smith commenced work on this project in early January and its success was the result of LOTS of toil, cooperation and planning.

"Hurray for May" was the caption for Acalanes' mother-daughter get-together for the year, and was beautifully presented by the Acalanes Girls' League in the school auditorium.

The program was opened by the girls' dean, Miss Vera Richardson, who announced that the May Festival had become the traditional time to present the much sought after D.A.R. award, which each year is given to one girl of outstanding dependability and citizenship.

A deserving winner, too

The award went to Joanne Baker who had received her achievement pin previously, but who at this time, accepted her certificate from Miss Richardson. Diane Olberg then took over the proceedings as moderator for the fashions which were modeled and made by the girls in the clothing classes under the direction of Mrs. Shirley Frazier.

The youthful seamstresses sewed themselves up "right proud" in everything from a Mu Mu and gaucho styled riding breeches to sun wear and suits. Distinctly outstanding was an elegant pale blue satin brocade formal that showed considerable work and excellent taste by Suzanne DeHann.

The gown was reminiscent of the tight strapless bodice and extremely full aproned and draped front of Madam DuBarry's era. Mrs. Frazier surely has produced a future modiste in Suzanne. Gloria Raven, Janet Edwards and Susy Norton entertained with close harmony on an old folk song and was followed by the girls' chorus, under the direction of Richard Hansen and accompanied by Dale Campbell. Ten graceful belles in blue, who effectively twirled across the stage in arcs and angles, played tribute to their instructor, Miss Millicent Hamburger.

Promenade of Homes Set By Church Womens Guild

Six Orinda homes will be opened from 1 p.m. until 4:30 p.m. Tuesday, June 2 for the "Promenade of Homes" tour by the Womens Guild of the Community Church.

The variety of architecture, decor and landscaping ranges from contemporary to oriental and modern.

Some of the outstanding points of interest of the homes include the swimming pool at the Dalles Young home where fashions from Moraga Casuals will be modeled by Jean Hoyt, Elaine Hafner, Betty Hollidge, Bea Van Gelder and Evangeline Dickinson. This home at 383 Miner Road was decorated by Mrs. Young.

One of the older Orinda homes to be toured is owned by the Perc Brown's at 29 Camino Don Miguel. The house is 22 years old and features an outstanding sun deck, pool house, pool and barbecue. The garden, which is one of Mrs. Brown's hobbies shows her special talents.

The Donald Cochran home at 119 Van Ripper Lane features all rooms but one opening onto the patio and pool where fashions at the poolside will be shown by Ogden's shop in the Village. Models will be Grace Boyd, Nancy Davison, Tammie Hartanov and Natalie Hartanov. The combined contemporary with oriental decorating is the handiwork of Mrs. Cochran.

Mr. and Mrs. Nathan Gray designed their home at 5 Spring Court. It was completed in 1950 and decorated by Mrs. Gray who also finished and upholstered much of the provincial furniture. The draperies and wallpapering may also be credited to the lady of the house while the garden is the specialty of the master.

A new home, occupied just since last July, is owned by the Paul McChesney's at 5 Brookbank Road. The flexible family living plan places the teen-age children together and the younger tots and the parents together. For ideas for a "new home", don't miss this bevy of ideas.

First prize in A.I.A. competition for small custom designed homes was won by the William Wilkinson's 440 Camino Sobranite for maximum use of home and adjoining outdoor areas. Decorating is by Mrs. Wilkinson and reflects family artistic talents.

Tickets are available from Circle Ways and Means Chairman or from Mrs. Douglas Reack at CL 4-3371. Transportation chairman, Olivia Oliphant may be contacted at CL 4-3623 if you wish transportation on the tour or if you have car space for another guest. The car pool will meet at Hagstrom's parking lot. Since parking in Orinda is always at a minimum it is suggested that tourists share the cars.

In charge of the tea to be served throughout the afternoon at the Nathan Gray home is Mrs. William Windle, wife of part-owner and manager of the new decorating shop in the Village Shopping Center.

For your convenience a map has been printed in the inside of each ticket and the following suggestions for parking are given: At the Cochran home on right of Van Ripper Lane, at the Dalles Young home park on Miner Road opposite golf course. (Traffic director will be stationed here).

At the Perc Brown home park on right side of Los Arboles and right side of Camino Don Miguel, keeping fork of Camino Don Miguel clear for turning around.

At the Gray home park on highway side of Brookbank Road. No parking on Spring Road nor at end of Brookbank Road which will be used for turn around. Traffic director will be here.

At the Paul McChesney home observe signs for parking and turn around.

At the Wilkinson home park on golf course side of Camino Sobranite using intersection of Camino Sobranite and El Sueno to turn around. In every event park on one side of road only and never opposite a parked car.

The last "Hurrah" was iced punch and cookies served by the girls to their very proud mothers.

Younger set department: King for a Day! What bigger thrill for six year old Jimmy Cassani. Mrs. Ray Cassani (Nancy) of Walnut Creek, took a group of Jim's Parkmead School friends and neighbors to King Norman's Wonderland in Concord on his birthday. With Jim wearing the King Norman Crown, he and his little band of followers rode rockets, trains, horses, "fishes" AND imaginations!

Mrs. John Canham of Orinda answered Nancy's call for "help" and the two of them managed a "bang-up" day for Lalo Kwiat, Mark and Brian Chapman, David Young, Jeffrey Eukel, Bobby Houston, Terry Donahue, Eric Metzger, Mike Dini, Roddy Lindberg and David and Shelly Cassani.

Papaya Women to Have Summer Fashion Treat

Wome east of the tunnel in Contra Costa County have a treat in store for them beginning Wednesday when the Papaya Branch of the Children's Hospital of the East Bay inaugurates its monthly luncheon and informal fashion shows at the Villa San Ramon. Highway 21 and Crow Canyon Road.

The Papaya Branch will sponsor such affairs every third Wednesday of each month, say members.

Owner-manager Art Brown of the villa promises delicious food in the pleasant atmosphere of the new large additional dining room now open and the al fresco setting under colorful umbrellas in the garden court.

THE OPENING event will show summer clothes from Flatajean Fashions of 75 Danville Square. All floral decorations will be under the direction of Dorothy Ferguson of Danville Florists.

Event chairman is Mrs. Donald V. Wier of Alamo, who will also be among the mannequins. Also modeling will be Mesdames Robert Seaton, James

Kress, Robert Lang, Vern S. Ryan, Robert Olson and Alfred Jones.

Reservations may be made by contacting Mrs. Wier or the Villa San Ramon.

THE PAPAYA BRANCH was organized August, 1958, and its membership is comprised of residents from Alamo, Danville, Diablo and San Ramon.

Current officers include Mrs. John Hagopian of Diablo, vice chairman; Mrs. Donald V. Wier of Alamo, chairman calendar, bambino and remembrances; Mrs. John Russell of Diablo and Mrs. Alfred Jones, public relations, and Mrs. Hubbard C. Howe Jr. of Diablo, amenities chairman.

In addition other active members which total 18 to date include Mrs. Al Kaplan of San Ramon and Mrs. Jack Van Fleet of Alamo. The group meets monthly on the third Tuesday in members' homes.

The May 19 meeting will be hosted by Mrs. James Lange at the Diablo residence of her mother.

The Orinda Art Center Dance Group is pleased to announce that the superb dance film, "A Dancer's World," with Martha Graham, will be shown Tuesday at 4:30 p.m. at Orinda School auditorium. There will be no admission charge.

"This is a film that no child or adult interested in dance should miss," said Linda Hickox Robinson, modern dance instructor to over 300 children and adults in Contra Costa County.

Mrs. Robinson will be available for questions and dance discussion after the film.

"Please come, bring the children, and invite your friends," she suggests.

Tickets may be obtained by calling the ticket chairman, Mrs. Robert L. Nielsen, 1133 Amador, Berkeley, Landscape 5-5765, or Heather Branch Chairman, Mrs. Munson Everett, 1124 Garden Lane, Lafayette, AT 3-8383.

The Newell Avenue home of Mrs. George Gessling, Walnut Creek, was the setting for the White Elephant Tea recently given by Crown Circle of The King's Daughters.

Proceeds benefited the Girls' Residence in Oakland, a non-profit home for teen-age girls owned and operated by the Northern California Branch of The King's Daughters and Sons, Inc.

Home baked coffee cakes and coffee were served during the morning hours, with cake and tea being offered after lunch.

Crown Circle members assisting with hostess arrangements and duties included the Mesdames W. C. Branson, Lenard Cleveland, W. B. Marschner and Edwin Schuener of Walnut Creek. Also assisting were the Mesdames E. H. Hill, F. W. Hutton and Kenneth Smets of Lafayette; the Mesdames Fred Fox, H. J. Hart, C. W. Kersten and Russell Usinger of Orinda, and Mrs. A. T. Styles of Alamo.

Jazz Affair Theme for Dine-Dance

Heather Branch of the Children's Hospital of the East Bay will hold a dinner-dance Saturday evening, May 23, at the Walnut Creek Elks Club, from 7:30 to 1.

Called "A Jazz Affair," the party will feature a Dixieland Band for dancing, plus Art McCue's piano from 7:30 to 8:30. A delicious buffet dinner will be served, and red table cloths, candle light, musical posters and a Charleston contest will add to the jazz theme.

Those so desiring are urged to wear Roaring Twenties costumes. Parking is ample.

Chairmen of the event are Mrs. William Seifert Jr., of 39 Camino Encinas, Orinda (CL 4-3042), and Mrs. Bernard F. Trimpe, 1601 Glen Court, Lafayette (AT 3-8383).

Tickets may be obtained by calling the ticket chairman, Mrs. Robert L. Nielsen, 1133 Amador, Berkeley, Landscape 5-5765, or Heather Branch Chairman, Mrs. Munson Everett, 1124 Garden Lane, Lafayette, AT 3-8383.

FLOWERS, FLOWERS, FLOWERS—That's what's on this group's minds as they pause for review. From left are Mrs. Donald Bittner, Mrs. John Kaufman, Mrs. Irving Fine and Mrs. William Page. The four are making plans for the annual flower ball to be held tomorrow at Castlewood Country Club by the Women's Auxiliary to the Alameda Contra Costa Medical Association. —Sun photo by Rolf de Trentini.

It's Flowers at Castlewood For Bi-County Auxiliary

A profusion of spring flowers in shades of pink, red and white will decorate the Castlewood Country Club ballrooms Saturday when the Women's Auxiliary to the Alameda-Contra Costa Medical Society holds its eighth annual Flower Ball.

Proceeds from the dinner and dance will be used to provide nursing scholarships for Contra Costa girls to any accredited nursing school of their choice.

Last year the auxiliary provided tuition during the three and four-year nursing program to five area girls.

FESTIVITIES will start at 6 p.m. with a cocktail hour and music by the Duane Hornor Trio. Dinner will be served at 8 p.m. in the ballroom and will be followed by dancing to the music of Gus Kearns and his orchestra.

Reservations may be made with Mrs. Donald L. Bittner, 1134 Glen Road in Lafayette, chairman of the invitations committee.

Mrs. William A. Page of Antioch is chairman of this year's Flower Ball.

UNDER DIRECTION of Mrs. Irving Fine of Lafayette, walls and pillars of rooms will be decorated with hand made and fresh flowers to carry out the international flower theme of the evening. Spring bouquets will be centered on large dining tables during dinner hours and auxiliary members will present floral corsages and boutonnieres to guests.

Heading the hostess committee are the Mesdames Louis Arnaud of Walnut Creek and Thomas St. George of El Cerrito.

Mrs. Robert Pinger is president of the two-county wide 300-member doctor's wives auxiliary.

Alpha Xi Delta Annual Formal Set for Tonight

Omicron of Alpha Xi Delta will highlight its spring social season with the annual Rose Formal tonight.

The girls and their escorts will dine and dance to the music of Johnny Vaughn and his band at the Orinda Country Club. Intermission entertainment will be provided by the "C" notes.

Carole Ashmore of Oakland, who is social chairman, is in charge of the event.

Patrons and patronesses for the evening are Mrs. Virginia Monroe, Mr. and Mrs. W. P. Gilmore, Mr. and Mrs. T. M. Ashmore and Miss Carolyn Swenson.

Attending the event from Lafayette is Joan Franzell, daughter of Mr. and Mrs. Gordon E. Franzell of 162 Valley Hill Drive.

Currently enjoying a holiday stay in Hawaii are Mr. and Mrs. Otis Miller of 7 Dos Encinas, Orinda.

The couple flew from the San Francisco Airport last Sunday, the trip being a joint Mother's Day gift as well as in celebration of Mr. Miller's birthday.

The Millers are guesting at the Hawaiian Village.

Hummingbirds To Go Hawaiian At Next Meet

Final plans for a Hawaiian Hukilau to be held June 6 at chairman for the dinner dance, were completed by the Hummingbird Unit of the Mt. Diablo Therapy Center at the last meeting, held in the home of Mrs. Herb Moran, 21 Mayo Lane, Walnut Creek.

Mrs. William Thompson, reau. PEO Sisterhood, will meet announced music will be provided by Enar Omania's orchestra.

Dancing will be preceded by cocktails and a catered "island" buffet.

Mrs. J. C. Bronson of Walnut Creek will present a group of Hawaiian dancers for the entertainment of the guests, and the evening will culminate unit fund-raising events for the season.

Temporary plans also were made for a mid-summer potluck dinner and swimming party for members and their guests only.

The affair will be held at the home of Mr. and Mrs. Lloyd Lawson, 881 Hawthorne Drive, Walnut Creek, and Mrs. Emmett O'Connell will chairman the committee.

The Mt. Diablo Alumnae Chapter of Delta Zeta recently elected new officers for 1959-60.

Re-elected as president was Mrs. John Mark of Lafayette.

New officers include Mrs. Juel Lien, vice president, of Pleasant Hill; Mrs. Bruce Herbert, corresponding secretary, also of Pleasant Hill; Mrs. Horace Firth, lamp editor, of Lafayette; and Mrs. L. Van Hooser, philanthropy, of Walnut Creek.

Others include Mrs. Walter Cunha, recommendations, of Zeta Alumnae members also recently presented their new award to the Delta Chi Chapter at Chico State, says the chapter.

The award, a silver bowl, was given on Northern California State Day.

Alpha Lambda Chapter of Omega Nu will hold a benefit rummage sale for the Contra Costa County Cancer Fund tomorrow at Miller's Rummage Room, 2049 San Pablo Avenue, Berkeley.

Sun Society Ice Show to be Presented At Murray Lehr Residence

What's new under the sun? Definite. The ice show being planned by Children's Hospital of the East Bay's Child Development Guild and Jasmine Branch.

The show will take place in a most uncustomary fashion in the sunshine-filled patio and gardens of the Murray Lehr home in Lafayette on Wednesday, May 27.

The occasion of the show will be the third annual Butterfly Fete luncheon which has always featured a pool-side fashion show and will again this year.

The ice show will take place in the children's sandbox adjoining the pool at intermission time, according to Mrs. Robert Matalszky, Child Development Guild's chairman of the party, who lives in Oakland.

The seemingly impossible feat of transforming a sandbox into an ice skating rink has been assumed by Neil Rose of Walnut be 20 by 20 feet and will take form during the early morning hours on the day of the party.

He plans to pour a ton of dry ice over boards covering the sand. After that, he will place a waterproof tarp over all, then cover this with a ton of wet ice, forming a two-inch deep pool.

From here on, he will take on a maintenance job, watering the "rink" every half hour in order to keep it frozen at minus 114 degrees. At this temperature, Rose says, the ice is very brittle and is almost like glass. The rink will last about eight hours, he adds.

Stars for the show will include Skippy Baxter, formerly of the Santa Herie revue, a Nancy Copeland, former Pacific Coast champion, who appeared in the Ice Capades.

Peggy Beckwith will "dance" on ice and two children will also perform. They are Susan Shepherd, 8, of Walnut Creek, and Randy Warner, 7, of Orinda.

Decorations for the fashion show and revue will be lavish, featuring huge hoop mobiles filled with butterflies which will be suspended from the Lehr's pool-side cabana.

Assisting Mrs. Matalszky and her committee is Mrs. Burton Mason, a Jasmine Branch member from Walnut Creek.

Committee members from Child Development Guild are Mrs. Alan Allison of Concord, Mrs. Robert Gillespie of Oakland, Mrs. F. Pierce Lathrop of Berkeley, Mrs. S. D. Service of Berkeley and Mrs. Alden Sullberg of Oakland. Mrs. Van Buren Nixon of Oakland is chairman of Child Development Guild and Mrs. Preston Hutchings of Orinda is chairman of Jasmine Branch.

Commentating the fashion show will be Mrs. James Kieran of the San Francisco merchant group.

Hosting from Jasmine Branch will be Mrs. K. Steven Leach of Concord; Mrs. William D. Leisure of Concord; Mrs. Burton Mason of Walnut Creek, Mrs. Ronald A. Morrison of Pleasant Hill, Mrs. R. E. Morrison of Pleasant Hill, Mrs. R. Bruce Shafer of Lafayette, Mrs. Walter Strycker of Orinda, Mrs. Geoffrey Thomas of Walnut Creek and Mrs. Roy G. Wigginton of Walnut Creek.

Reservations may be made by calling Mrs. Lathrop at THornwall 3-5343 or Mrs. A. John Schlichtmann, Lafayette member of Jasmine Branch at ATLantic 3-3095.

Models for the show will be Mrs. William Cronk of Oakland, Mrs. Walter Draeger of Oakland, Mrs. Harold Eberhart from Oakland and Azalea Branch, Mrs. Austin L. Edwards from Berkeley and Cypress Branch, Miss Bonnie Hawkins of Oakland, Mrs. James Healy from Pleasant Hill and Jasmine Branch; Miss Kathy Ireland of Oakland, Mrs. Stanley W. Lore from Oakland and Azalea Branch. Mrs. Thomas McLaughlin from Berkeley and Chiquapin Branch, Mrs. John Morken from Lafayette and Jasmine Branch, Mrs. Franklin Pille from Oakland and Manzanita Branch, Mrs. Douglas Richards from Orinda and Jasmine Branch, Mrs. Robert Stinett from Oakland and Fir Branch and Mrs. Walter B. Laurel Junior Branch.

With a Parisian motif selected, Mrs. Alex Poulsen, general chairman of the "Chez Lombardy" cocktail party will announce the final plans at the next Lombardy Children's Hospital of the East Bay meeting to be held at the home of Mrs. Edward Law Jr. of Orinda.

The date is June 13, from 5-8 p.m. and the tickets will sell for \$1 per couple.

An exact replica of the Eiffel Tower will be the first sign of Gay Parce as the guests arrive at the home of Mr. and Mrs. Hugh MacIntyre, Orinda.

Mrs. Lloyd Hecathorn, in charge of decorations, has obtained this smaller version of the famous Paris landmark, as well as posters from France which will adorn the garden.

To further enhance a French atmosphere "Mademoiselle Mitzi" MacIntyre, a miniature poodle will be attired in her latest Parisian rimestone collar.

For the first time this annual party will provide dancing to the strains of the Dick Dildine trio, who will carry out the mood by wearing French berets, according to Mrs. Joseph Downs, dance chairman.

Since parking will be limited at the MacIntyre home, provisions have been made with Orinda Country Club to run a shuttle service for the guests' convenience. This will be handled by the Mesdames Thomas Connolly and Thomas Howard.

Mrs. James Read and Mrs. Edward Laws Jr. will be in charge of refreshments and potables to be served by Lombardy hostesses.

Mrs. George Merriam, in charge of tickets, announces they may be purchased by calling her at CL 4-3527.

Mrs. Channells To Attend Meet

Mrs. William R. Channells of Lafayette will be among the representatives of the Oakland Junior League at the 37th annual convention of the association of Junior Leagues of America.

The convention will attract representatives of 192 Junior Leagues in the United States, Canada and Mexico.

It will be held in Vancouver, British Columbia, May 18-May 22.

RESIDENCE OF THE MURRAY LEHR will be the setting for the third annual Butterfly Fete luncheon May 27. The event, sponsored by Children's Hospital of the East Bay's Child Development Guild and Jasmine Branch, will feature, of all things, an ice show. Photographed at the Lehr residence are Mesdames Roy Wigginton, Alan Allison, Douglas Richards, James Healy and Robert Cathcart. They have been busy making plans for the occasion. —Sun photo by Rolf de Trentini. **TIGERLILY BLUEBIRDS** prepared refreshments for Friendship Frolics yesterday introducing girls to the Bluebird movement. JESSIE DANIELS HAD A FIGURE PROBLEM!

One day, looking at myself in the mirror, I realized I was being unfair to both myself and my husband by being so overweight. Every husband likes to take pride in his wife's appearance. I decided right then to do something about it. So I called Eileen Feather for an appointment.

EILEEN FEATHER HAD THE ANSWER!

When I had my figure analysis I was impressed by the warm and friendly atmosphere of the salon. The manager put me completely at ease as she explained what my perfect measurements would be.

and no wonder! In 2 1/2 months my dress size came down from 22 to 13.

JESSIE DANIELS HAD A FIGURE PROBLEM!

I followed Eileen Feather's instructions to the letter. I lost 6 lbs. after the first treatment. In the 2 1/2 months I lost a total of 42 lbs. and more than 49 inches in measurements. Now I not only have a lovely new figure but a wonderful new confidence in myself. My husband and I have never been happier.

North Coast Track Finals Today

Farmer Favored in 440, Broad Jump and Hurdles

The North Coast Section I track meet will be this afternoon at Pittsburg High with field events getting underway at 1 and running events scheduled from 1:30.

The meet involves the first five places in meets held by the Diablo Valley Athletic League and the Alameda County League last Friday.

PITTSBURG, WINNER of the DVAL is one of the favorites this afternoon providing they can outscore Berkeley High, winners of the ACAL trials.

Pittsburg had surprise point getters in last week's meet and if they come up again could cop the honors.

Much depends on their ace Vince Darone who copped the high and upset favorite Dixon Farmer of Miramonte in the low barrier event.

MIRAMONTE rates a chance to win it all particularly if Farmer can cop three firsts.

He appears a cinch in the 440 run and a good bet in the broad jump.

He could come back to win the low hurdles and if he gets the same help in points from team-

mates that could turn the trick. Best bet for additional Miramonte points appears to be Jeff Neighbor in the 880.

Berkeley High outdistanced the field with 64 points to runner-up Richmond High with 29.

Competition will be stiff all around in this afternoon's meet with five places qualifying for next week's North Coast Finals to be held at University of California's Christie Stadium.

Berkeley's best bet seems to be in LeRoy Whittle who won the 160 and 440 and Mathew Baggett who took the shot at 55-8 1/2.

GORDON STEVENS with a mark of 164-1 1/2 in the discus looks to be the class of the field.

The Acalanes Bees appear to have a battle on their hands with Encinal of Alameda and Berkeley High shooting for top honors.

Acalanes Babes Run Away With County Track Victory

The Acalanes lightweight thin-clads literally ran away with the Diablo Valley Athletic League title in the county meet held at the Mt. Diablo High oval last Friday afternoon.

Coach Jack Carhart's thin-clads won six of thirteen first places and posted 74 1/2 points to outdistance the field.

CLAYTON VALLEY, the runner-up, had 39 points. Piedmont 29 1/2, Pittsburg, 24; Pleasant Hill 18, John Swett 16 1/2; Pacifica 10 1/2, Mt. Diablo 9 1/2; San Ramon 9 1/2; Alhambra 9; Antioch 5 1/2; Las Lomas 1 1/2; and Livermore 1.

The Dons had the meet's only event.

HARDTOP HI LITES

By JEAN MCGUIRE

Racing fans showed their appreciation of the balmy shirt-sleeve evening, by packing Contra Costa Speedway to the hilt last Saturday night.

And the show was as equally enjoyable as the weather.

Johnny Franklin, that Santa Rosa whirlwind took his second main event in three weeks, putting him on much higher ground as far as point standings go.

Pee Wee Waybright of Oakland and Carl Carr made a very tight race for second place, with Carr emerging just a squeeze ahead.

Chel Thompson was involved in a terrific smashup in the fourth heat. He was hit going into the pit turn, and his number 96 was thrown high in the air.

Coming down, it struck a light standard, which went through the front window. Thompson was taken to the hospital, and it was later reported that he had suffered a broken hand.

Wally Baker of Sacramento was unable to drive his regular number 1 due to mechanical trouble which developed just before going out to qualify. He was able

to borrow Bill Rasset's number 45 however, and did a wonderful job in it.

HE WON the second heat, and came in a very close second in the semi-main event. From watching the previous performances of this car, I wouldn't have believed it had the go power to do it. Baker is BCRA Champion this year.

Cliff Bennett driving car number 22 from Pacheco, finished third in the first heat, fourth in the final heat, and third in the semi-main. This is Cliff's best showing to date, and the best of the local drivers for the night.

TIM KELLY, also of Pacheco, out for the first time in a new car, number 83, took fifth place in the first heat. He was fined \$10 later on in the evening for cutting the infield.

Top fastest qualifying time was set by Bill Maher, and a new track record was set during the semi-main event. Time - 4.18.28.

Tomorrow's program will consist of another big 25 lap main event. Time trials will start at 7, with the first race beginning at 8:15.

Golfers to Swing for EB Hospital Benefit at Hole in One Tournament

Golfers may swing for Children's Hospital of the East Bay on two-upcoming week-ends at three different municipal courses.

This was announced today by members of Manzanita Branch of Children's Hospital of the East Bay who are sponsoring a hole-in-one contest for the 11th year to assist the part-pay program which gives medical care to thousands of east bay children.

The dates and places of the hole-in-one contest will be: Alameda-municipal tomorrow and Sunday; Chabot-municipal tomorrow and Sunday and Tilden-municipal May 23 and 24. September 19, the contest will take place at the Claremont Country Club.

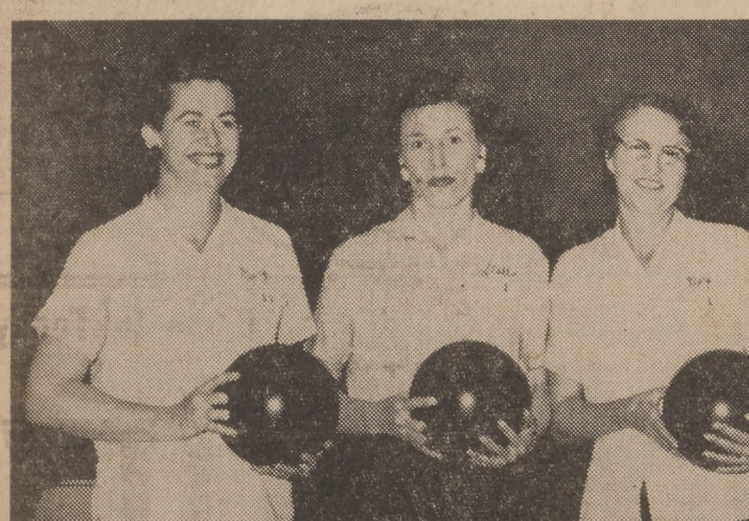

All golfers going through may participate and the contest hole will be selected by the club's "hole in one" committee.

Those getting into the contest circle and a grand prize will be awarded the one getting into the hole.

Members of Manzanita Branch will staff the links from earliest start-off till evening each tournament day, according to Mrs. George Campeau, an associate member of the branch, who is chairman of the event. Working with Mrs. Campeau are Mrs. Charles D. Mack, Jr. and Mrs. Donald E. MacLeod.

Mrs. Theodore Stepmann chairman of the branch, announces the following members will staff the courses: Mesdames Paul Danzig, Raymond Edwards, Edmond J. Graff, Roy E. Hamrick, Lloyd C. Havercroft, Charles M. Mason, David Sparber, Robert A. Turney, M. C. Ulmer, Oakland; and Mrs. Vincent P. Whetstone of Hayward.

DIXON FARMER of Miramonte captured the individual title Relays in Fresno Saturday. The senior flash won the broad jump, anchored the Miramonte spring medley team—was clocked in a 1:57 half mile effort. Here, he wins the DVAL track meet, quarter mile event, in 49.1.

Get 1; Hits, Add 13 Runs And It Spells Mat Defeat

The Las Lomas Knights smashed out 16 hits and scored 13 runs to down the Miramonte Matadors in a league baseball game played at Orinda Tuesday afternoon.

The Mats made the most of four hits as they tallied four runs but had a bad day afield as they made 12 errors to three for Las Lomas.

NEITHER TEAM scored in the opening frame but the bats were working in the second.

The Knights started it with four runs in the top of the frame.

Tony Sieberlich started in the inning with a strike out only to have Jeff Beaubien triple and score when Dick Dodge singled.

Bob Samuels followed with a walk and three were on when Bob Gomez singled.

Dodge scored as Wade Hansen went out short to first on a ground ball. The bases were loaded again when Bob Morris walked.

LARRY DRUMMOND followed with a single to left center that scored Samuels and Gomez.

The side was retired as Don Hopkins grounded out short to first.

On their turn at bat the Mat machine appeared stalled as Brad Peters and Dave Rhoads struck out in order but things came to life when first baseman Vic Johnson tripled.

BATTERIES: Las Lomas: Hansen, Ransome (4), Gomez (7) and Don Hopkins.

Miramonte: Hilger, Hancock (5) and Welch.

Plans Told For Diablo Invitational

Final plans are underway for Dibo Country Club's fifth women's golf invitational, slated for Thursday and next Friday.

This annual two-day eclectic attracts top women amateur golfers of Northern California.

According to Mrs. Paul Fulmer chairman of the 1959 event, early entrants include Mrs. B. Enersen, President of Women's Golf Association Northern California; Miss Joan Weeks of Del Rio Country Club; Mrs. Peter Patch, Orinda; Mrs. Fulmer Keaton, Olympic Country Club; Mrs. Henry Kussow and Mrs. R. P. Burns of Diablo; Mrs. John Cann, Meadow Country Club; and Mrs. Calvin Tilden of San Francisco Golf Club.

Since the original invitation five years ago, Diablo women golfers have spared no effort in making the event tops of its kind in the area.

This year 144 entrants will compete for tournament honors in five classes, as well as a blind chipping event following the first day's round and a hole-in-one contest on the second day.

Entrants from out-of-the-area are accommodated at the club's chalet, said Mrs. Fulmer, adding that reservations are made from year to year because of the popularity of the event.

Assisting the chairman are Mrs. Robert Ward, captain of the Diablo group; Mrs. Art Brunkhorst, Mrs. R. W. Bartell, Mrs. Michael Pavlina and Mrs. Reginald Bowman.

Low Gross 84 Wins Diablo Guest Play

Mrs. Edward Ballman walked off with low gross honors at the Diablo Women's Golf Group Guest Day with an 84.

In Class A golf, Mrs. R. H. Ballard walked in with a 87-14-73 while Mrs. William Owsley took an 89-14 for net 75 and Mrs. Herm Cook and Mrs. Lloyd Rossi came out with 89-14-75 and 88-12-76.

In Class B Mrs. J. A. Sponberg, 87-16-71; Mrs. Reg Bowler, 87-16-71; Mrs. Herbert Rick, 87-16-71; Mrs. Allen Hart, 93-19-74; Mrs. R. L. Ward, 93-18-75.

Class C: Mrs. F. A. Clenaghan, 88-20-68; Mrs. Roy Pratt, 91-22-39; Mrs. Robert Bell, 91-21-70.

Class D: Mrs. Robert Balaam, 93-23-70; Mrs. John Mooney, 96-23-73; Mira Vista; Mrs. Robert Armstrong, 96-23-73; Mrs. Boise Ketcham, 98-23-75, Castlewood.

Class E: Mrs. Bradley Bogue, 98-25-77; Mrs. Gilbert Kufahl, 101-28-72; Mrs. R. C. Braddick, 106-29-77, Sequoyah.

Class F: Mrs. H. B. Conner, 104-31-73; Mrs. Hal Morgan, 111-35-76; Mrs. David White, 107-30-77.

Stafford-Deahl Win Tennis Club Mystery Doubles

The Orinda Tennis Club's Annual Mystery Mixed doubles tournament was won by Virginia Stafford and Tom Deahl.

They defeated Babs Massie and Dan Iventosh 2-6, 6-1, 6-4 in the finals, which was played on the Miramonte courts Saturday May 9.

The next event to be staged will be the Men's Singles, scheduled for June 6, with the location to be announced later.

MANGAS COLORADO Mangas Colorado, a noted Apache Indian warrior and chief who terrorized much of New Mexico in the nineteenth century, was always an easy man to spot in a fight. He was, according to the National Automobile Club, six feet seven inches tall.

DVAL Meet Held at Las Lomas

A Diablo Valley Athletic League qualifying meet for the North Coast Swimming meet was held at the Las Lomas pool last Friday.

The event found members of the East Bay, Contra Costa and Foothill divisions taking part in the mammoth swim event.

LAS LOMAS paced the field with five varsity qualifiers plus two relay teams in the Bee section.

Livermore qualified five varsity and six Bees, Acalanes five varsity and one relay plus one Bee.

Pleasant Hill qualified five varsity and one relay plus one Bee.

Mt. Diablo four varsity and one relay plus one Bee relay, Alhambra two varsity and one Bee.

Clayton Valley copped one varsity and one Bee plus one relay (Bee) and Antioch one and one relay in the Bees. Pittsburg, Piedmont and San Ramon failed to qualify an entry.

THE UNOFFICIAL score was as follows:

Varsity: Las Lomas 66, Acalanes 44, Pleasant Hill 42, Mt. Diablo 37, Livermore 30, Alhambra 25, Clayton Valley 11, Albany 8, Antioch 5, San Ramon 1, Piedmont 1, and Pittsburg 0.

Bees: Las Lomas 76, Livermore 33, Mt. Diablo 25, Antioch 24, Alhambra 21, Albany 16, Clayton Valley 15, Acalanes 15, Pleasant Hill 13, San Ramon 2, Piedmont 0, Pittsburg 0.

Piedmont Clans Bow Again as Wolves Win 7-3

The Piedmont Clans have yet to win a baseball game in league play and San Ramon didn't help matters any Tuesday afternoon when they took a 7-3 decision in a game played at San Ramon High.

The Wolves scored four runs on one hit in the second frame and were never to be behind as they notched the win.

IN THE FATAL second frame, the Wolves got their four runs in quick order.

Wayne Gilbert was safe on an error and Glen Miller followed with a single while Loren Walker getting a base on balls to lead the bags.

Eric Kellner laid down a hit to squeeze Gilbert home and on the pitcher's throw to first, an overthrow, sent Miller in with run number two.

Ken Gersten walked. Roger Ode struck out and when Walker was out as he attempted to pilfer home, two were down.

Bob Wright, the next hitter, was safe on an error and Kellner was home with Gersten tallying for the fourth and final run of the inning on a pass ball.

SAN RAMON added two runs in the fourth and one in the fifth while Piedmont accounted for lone runs in the third, fourth and seventh frames.

Piedmont out hit the home club 6-5 and also out did them in the error department, 4-3.

BATTERIES: Piedmont: Hughes and Volkwein.

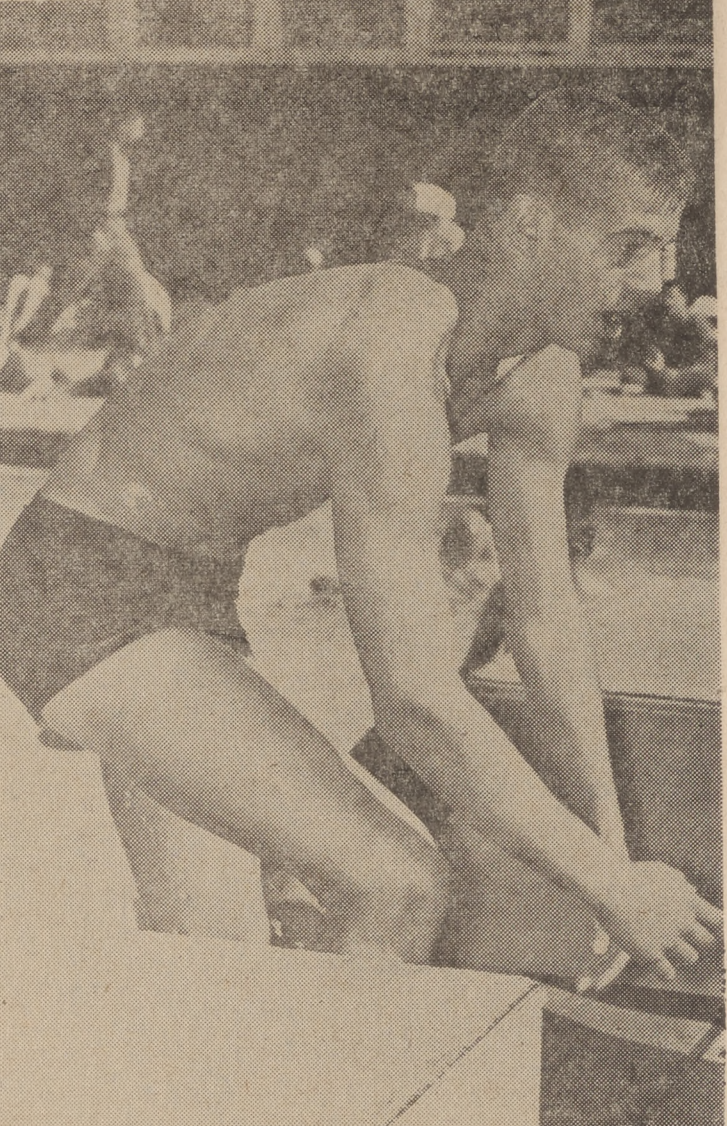

San Ramon: Walker and K. Miller.

San Ramon's Ken Gersten was top sticker with a triple and single in three trips to the plate.

PULL OFF ROAD If you have a flat tire or have to stop when driving on a highway, pull entirely off the roadway. It's better to ruin a tire than to risk your life by exposing yourself to oncoming traffic.

Organizations which cooperated with the sponsor in conducting the rodeo were: California Highway Patrol, California State Automobile Association, Hayward Police Department, Gilgig Brothers, Crown Coach Corporation, Firemen's Fund Indemnity Company, and the northern California chapters of the National Safety Council.

It takes at least a full year abroad an active submariner for an officer to become eligible to pin on his "dolphins" and become a full-fledged submariner.

POOPED AFTER his 400 yard swim is Acalanes' Bob Locky. He drew a second in a field of five during the DVAL Swimming Match at Las Lomas High School last Friday.

Ace Scored on 171 Yard 13th At Orinda by Mrs. McManus

Mrs. Thomas K. McManus of Claremont Country Club went in with a hole in one on the links of the Orinda Country Club.

Her ace was scored on the 171 yard 13th hole. Watching Mrs. McManus out with her five wood were Mrs. Edgar Stewart and Mrs. J. W. Small.

In other action at the Match vs. Par Home and Home tournament between Claremont and Orinda in Class A play:

Mrs. Edgar B. Stewart, 2 up; Mrs. G. A. Somers, 2 up; Mrs. J. W. Small, 1 up; and Mrs. W. M. Noble, even.

Class B: Mrs. R. F. Hopkins, 1 up; Mrs. Carleton L. Rank, 1 down; Mrs. J. W. Scammell, 3 down.

Class C: Mrs. Clinton Eastwood, 2 down; Mrs. Miller Freeman, 3 down; Mrs. Cecil Putnam, 3 down; Mrs. Mark Smith, 3 down.

Class D: Mrs. Thomas Carlson, 2 down; Mrs. Thomas Nickels, 3 down; Mrs. H. R. Merriam, 3 down; Mrs. Victor Cranston, 3 down.

Class E: Mrs. W. E. Kilgo, 2 up; Mrs. R. T. Hughes, even; Mrs. F. C. Borgino, 2 down.

Class F: Mrs. Cecil Cutting, even; Mrs. J. H. Tiedemann, even; Mrs. Ruth Sammis, 2 down and Mrs. R. B. Murray, 2 down.

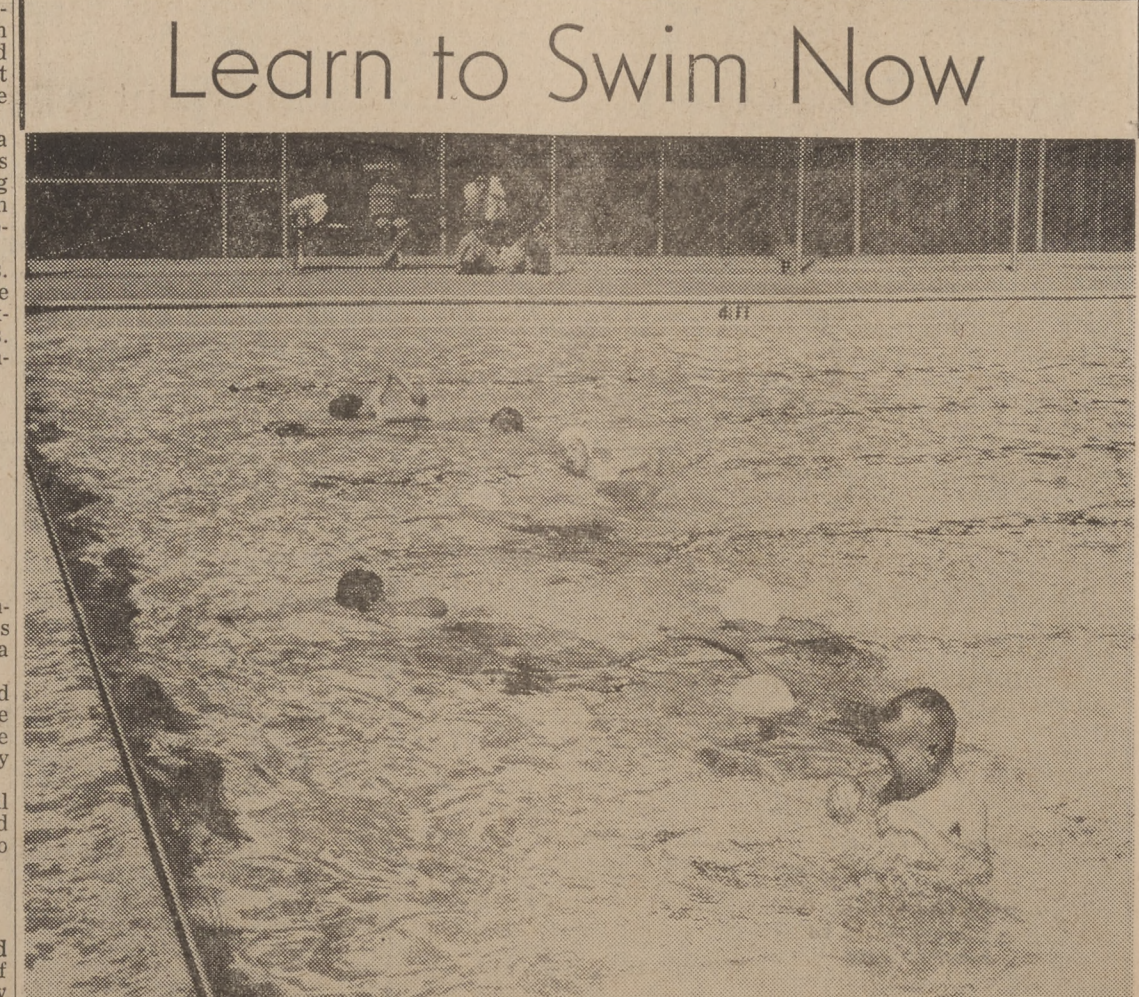

Mt. Diablo Don Drivers Tops in Area Bus Rodeo

Nearly 150 school bus drivers are back on the job today after taking a weekend busman's holiday in the Seventh Annual Northern California Bus Rodeo at the Hayward airport.

The drivers, both men and women, competed Saturday by matching their professional driving skills and knowledge of traffic safety. The event is sponsored annually by the California School Employees' Association to give recognition to these drivers who transport students to and from school.

Organizations which cooperated with the sponsor in conducting the rodeo were: California Highway Patrol, California State Automobile Association, Hayward Police Department, Gilgig Brothers, Crown Coach Corporation, Firemen's Fund Indemnity Company, and the northern California chapters of the National Safety Council.

It takes at least a full year abroad an active submariner for an officer to become eligible to pin on his "dolphins" and become a full-fledged submariner.

THE SWIMMING SEASON is here and these little ones are learning how to swim under professional supervision. If you want to spend a summer in relative tranquility, best you make sure your children can swim.

New Flower to Be Presented At Club Meet

The East Bay Chrysanthemum Study Club will hold its monthly meeting Monday at 8 p.m. in the Pacific Gas and Electric Building in Walnut Creek.

The program will include a question and answer period, and the presentation of an apricot queen.

Also scheduled is the distribution of the club flower for this year.

Mrs. George Bowersax, vice president, of Lafayette will distribute a seedling of Dr. Ira B. Cross named the "Bola de Oro." Dr. Cross' plant was named by the Spanish Consulate in San Francisco, says the club, adding that the public is invited to the meeting and that refreshments will be served.

Art in Action Will Be Main Feature of Pageant

Have you ever wondered how an artist started to paint, sculpt, pot, jewel, weave? Here is the opportunity to find out right from the horse's—or artist's—mouth or sketch.

See "Artists at Work" at Walnut Creek's fourth Annual Diablo Pageant of Art, May 28 through 31.

WATCH A potter as he molds a shapeless piece of clay into a graceful form, or observe skillful hands weaving an intricate pattern into a fine fabric—or an expert jeweler making at work next to a mosaicist carefully creating a design with gem-like tesserae.

You will be keenly interested in the ancient art of bookbinding or you may prefer to watch a portrait painter—or again, landscape artists might be your special interest. All this and more will be in store for visitors to the Pageant.

The Walnut Creek City Park will be transformed into a gay "Artists' Fair" as artists and craftsmen of Contra Costa and neighboring counties exhibit their handicrafts and demonstrate the "how-to" to interested spectators.

MANY HANDMADE articles and fine paintings will be available for those interested in buying.

Local shopkeepers will have booths displaying samples of their best-sellers.

The atmosphere will be friendly and stimulating and we practically guarantee that before your tour is finished you will have decided that Monday—or at the latest, next week—you are going to start weaving, potting, or jewelry, or at least, so says Mary McNally of Pleasant Hill, member of the executive committee of the pageant and in charge of the "working" Art section.

FOOD BOOTHS set up by Walnut Creek's finest will be conveniently at hand in case you are hungry—the Flicker Unit of Mt. Diablo Therapy Center will take care of your baby—Walnut Creek Girl Scouts assisted by their leaders will be happy to have Junior or Juniors try their hand at poster paint, crayon, chalk or clay—the park "green" will be pleasant to walk on.

Municipal District Awards Employs

The East Bay Municipal Utility District is scheduled to give service pin awards to 20 employees celebrating anniversaries, says General Manager John W. McFarland.

Eligible for a ten-year pin is Melvin J. Brunkhorst, 2852 San Antonio Drive, Walnut Creek.

Also to be awarded is William J. Abrie, 313 Overhill Road, Orinda.

Miss Hi School Capwell's Plans Fashion Show

Capwell's Walnut Creek will have been selected by the store to participate.

Thirty-three Junior Class girls have been selected by the store to participate.

Eleven schools will send three models each, with Alhambra, Antioch, Clayton Valley, Las Lomas, Miramonte, Mt. Diablo, Pacifica, Pittsburg, Pleasant Hill and San Ramon High Schools taking part.

The young ladies will model the latest in dress and sportswear fashions from Capwell's Teen and Collegienne Shops. The store will choose 11 High School Board members as finalists from this group, one girl from each school entering.

All teen fashion enthusiasts and parents are invited.

Your Garden—

Why Don't More People Discover Succulents?

The Sedums are versatile succulents. You find them underfoot in dense ground covers, clinging to a rock wall or spilling down from on high in a hanging basket. And if that were not enough, you also find them in pots and tubs, or even holding their own in a showy perennial border.

Why more people don't "discover" Sedums is a mystery. Sedum or Stonecrop if you wish—shares with other succulents a wonderful resistance to drought.

You can literally ignore it for weeks, which makes it unusually valuable in vacation retreats where many another garden favorite might suffer from neglect. Yet it will tolerate any reasonable amount of moisture and is quite adaptable to normal garden conditions.

SEDUMS ARE showy, too, sending up pink, red or yellow blooms in summer and fall, according to variety. The fleshy foliage in some is bronzy, in others blue-green and in still others a glistering silver. Color in foliage is accented in sunny spots, subdued where part shade exists.

A local member of the California Association of Nursery-

men recommend a particular Sedum for the particular situation you have in mind.

If it's in a pot or tub, work some sand into the planting mix. Anywhere, don't overdo with the hose, and hold off on watering entirely.

Once they're established, you just don't find easier plants to care for anywhere.

While you're at it, ask your nurseryman about other succulents for your garden. Some, such as the brilliant ice plant of southern California gardens, may be just what you need for a neglected embankment.

Other, such as Houseleek or "Pine and Chickens" with their distinctive rosettes will add a truly decorative touch to rocky places and pot gardens.

One thing we'll bet. Once you have succumbed to the pleasures of growing succulents, you won't be happy until you've grown them all.

Try it. You'll see what we mean.

Juvenile Auxiliary Gets Help From Jewish Cake Sale

The League of Jewish Women, Sisterhood of the Contra Costa County Jewish Community Center, last week donated proceeds from its annual cake sale of the Juvenile Hall Auxiliary in Martinez.

A check for \$90 was awarded the hall by Mrs. Ervin Schwarcz, community relations chairman.

Assisting Mrs. Schwarcz were the Mesdames Harry Freeman and John Saeman.

The money is ticketed to aid children at the hall, specifically in dental care.

Pageant of Arts Judging Tomorrow

Madame Wenker, Executive Secretary and Coordinator of the Pageant of Arts today said the return of the entry blanks of those wishing to exhibit in the Pageant of Arts was rapid.

Requests have been received from Chicago, Virginia, Florida and Arizona, as well as Stockton, Concord, Tacta, Marin County, San Leandro, San Lorenzo, Santa Cruz, Carmel, San Francisco, Hayward and Berkeley.

Such top notch artists as Harold Gretzner, Oakland water colorist, Harry C. Adamson of Lafayette, one of the foremost water fowl painters in America; Bob Winston, well known jewelry artist of Berkeley and Arizona; Jonathon Batchelor of Canyon, well known

portrait artist and sculptor; Louis Gutierrez of Pittsburg, protege of local patrons, who has won wide acclaim.

The committee feels that the success of this year's Pageant is practically assured, all of our well-known and loved area artists, those who have exhibited in previous years as well as many talented newcomers, have returned from places beyond the 30-mile radius of Walnut Creek.

Judging of the Fine Arts Competition will take place tomorrow.

After the judging Mary Kwiat, fund raising chairman, will entertain at a luncheon in her Alamo home in honor of the jury.

Stake and Tie Delphiniums to Prevent Breaks

Here is your gardener's checklist for this week:

1. Keep a sharp eye to watering hanging baskets. With nothing between the roots and the drying effect of air and sun but the container these can take water every day.

2. Stake and tie delphinium plants. Nothing detracts from these beauties faster than broken stalks and drooping lower spikes.

3. Thin seedling vegetables. Check the recommendations on the seed packets and follow them.

4. Potted herbs, already started, are available in nurseries. They should be shifted to larger pots as they increase in size.

5. Keep planting dahlias for succession of bloom. The same goes for gladioli which can be set out now for bloom in late summer.

Veltri's Fine Furniture Set for Opening Friday

"It's the biggest 'little' furniture store in captivity!" That's what Vincent Veltri says when talking about his new store — Veltri's Fine Furniture, 1329 Main Street in Walnut Creek, just across from the Bank of America. Actually, though, the store is

not small. Far from it. It has 5,000 sq. ft. of floor space, and will be put on display for everyone in the area to see this Friday. "That's my Grand Opening Day," says Veltri. "There'll be free gifts then, and every item will be specially priced."

MERCHANDISE On display opening day will include Kelvinator appliances, dinettes by Douglas, Berwick carpeting, Stanley Lighthouse Lamps, and H. H. Hiatt living room upholstery pieces.

One of the main lines to be carried by Veltri will be Quality Furniture from Los Angeles — custom-made living room furniture. Sealey mattresses also will be a store feature. "We will specialize in contemporary and modern, colonial-

provincial living room furniture and sleeping equipment," Veltri says, when speaking of his various lines of merchandise. **THE STORE ALSO** will have Hooker bedroom furniture, and will offer specialized interior decorating services to customers. Veltri has had 22 years experience in the furniture business. He started in 1937 in a New Jersey

store. "It was one of the first Grand Rapids Guild store in the state," he says now with a grin. In 1945 Veltri took over a Chicago chain of six home furnishings stores as general manager, and in 1950 he headed a chain of 14 stores in Indiana. Veltri, now living at 15 Bishop Lane, Walnut Creek, with his

wife, Myrtle, has two children — a son now attending the University of California in Los Angeles, and a daughter, 16, who is a junior at Las Lomas High School. **Gets Command Post** Lieutenant Commander Witton L. Atkinson, USN, son of Mr. and Mrs. James T. Atkinson, 1214

Special Workmen Needed, Says Water District

The East Bay Municipal Utility District now is accepting applications for the position of instrument repairman.

EBMUD Personnel Manager William J. Stephens, in announcing the opening today, stated that work experience on instrumentation is one of the principal requirements for the job.

Applicants must have completed the twelfth grade or its equivalent. Also, they must have performed skilled work in both mechanical and electrical repairs for at least four years, and a major portion of this time must have involved instrumentation work.

A California driver's license with a satisfactory driving record

also is required, and only male applicants are eligible.

DUTIES OF instrument repairman include inspecting and maintaining in operation condition recorders, flow meters, and pressure and temperature gauges used in a water treatment and distribution system.

Starting salary is \$451 a month. After six months it is \$475, and after 18 months, \$502.

Applications must be filed by May 25 in order to qualify for the examination June 4. Blanks can be obtained from the district business office in Lafayette.

Barnyard Benefit Success; May Become Annual Affair

The "Barnyard Benefit" was a ball! Such was the consensus of the nearly 300 Orinda parents and guests who gathered for the gaieties going on last Saturday night at Orinda Motors and Phair's Country Store Lot.

PROCEEDS from the highly successful "barn" dance in Orinda's own backyard will buy books and other needed items for Orinda school, according to Mrs. C. W. Brock, Jr., general chairman of the unique event, that many of those who attended hope will become an annual affair sponsored by the Orinda Parents' Club.

Jim Hendrickson's Orinda Motors' garage was completely transformed for the occasion, with bales of straw covering the wheel alignment rack. Colorful country scene murals adorned the walls, along with saddles and bridles.

A pen of live chickens and pheasants greeted guests at the entrance, and food and drink were dispensed from a silo. Clotheslines with brilliantly-dyed Irish pennants and other garments garlanded the outdoor area.

TWO HOT jazz bands, the Tony Kay Quintet and the Orinda Blues and Marching Society, alternated in playing for dancing.

Intermission feature entertainment included the Orinda trio,

Cub Scout Pack Final Meeting Set for Tonight

A Bicycle Rodeo is planned for May 26.

Blue ribbons will be given for the Safety test and prizes awarded for the best decorated bicycle.

A cookout is planned for cubs and Dads June 6.

A slate of officers have been selected for next year to continue the work done this year.

Committee chairman Dr. Henry Fastabend and Bill Talbot; cubmaster Garniss Curtis; assistant Cubmasters Jim Irwin and Marshall Moran; treasurer Al Kessler; program chairman Ken Renwick; athletics chairman Genaro Felice; activities chairman Rudy Grah; den mother chairman Letty Hibbard; registrars Barbara Reiser and Evangelin Dickinson; publicity chairman Edith Scatena.

Norma Waddell Chosen Secretary of Year

Norma Waddell of Orinda, a student at Stephens College, has been chosen Stephens Secretary of the Year for 1959.

The daughter of Mr. and Mrs. Norman A. Waddell, 85 Lombardy Lane, Miss Waddell was named to the dean's list last semester and is a candidate for an Associate in Arts degree in June.

Insurance School Dilsaver Attends

Grover C. Dilsaver, regional assistant state director in Orinda for the State Farm Life Insurance Company recently went back to school for two weeks in a group of 70 life insurance managers and home office executives studying the business and sales management of a field life insurance agency.

Republican Women's Club To Hear Oakland Attorney

Malcolm Champlin, Oakland attorney, will speak on "Why I am a Republican" at the Orinda Republican Women's Club Thursday, May 21.

The group will meet in Fellowship Hall of the Orinda Community Church.

CHAMPLIN is a graduate of

Annapolis and was awarded the Navy's highest decoration, The Navy Cross, during World War II. He is chairman of the Oakland Republican Assembly.

Mrs. William Dorsey, public relations chairman, who recently attended California State Central Committee as a delegate will tell

of plans for a state-wide television program proposed by the committee.

Mrs. Robert Galbraith, membership chairman, will report the increase in membership as a result of her committee phoning all the Orinda Republican women, the goal being 500.

In accordance with the nationwide effort of the Federation of Republican Women's Clubs to urge all Republicans to write letters to their representatives in regard to holding the line on all tax increases, Mrs. Kenneth Courtright will inform the mem-

bership as to how to address the letters.

LOOKING FORWARD to the fall meeting, Mrs. James Seaman, hospitality chairman, will coordinate plans for a September luncheon at her home, when the Lafayette Republican Women's Club to hear Dr. Orlo Brees, well known author and publisher, sponsored by the National Association of Manufac-

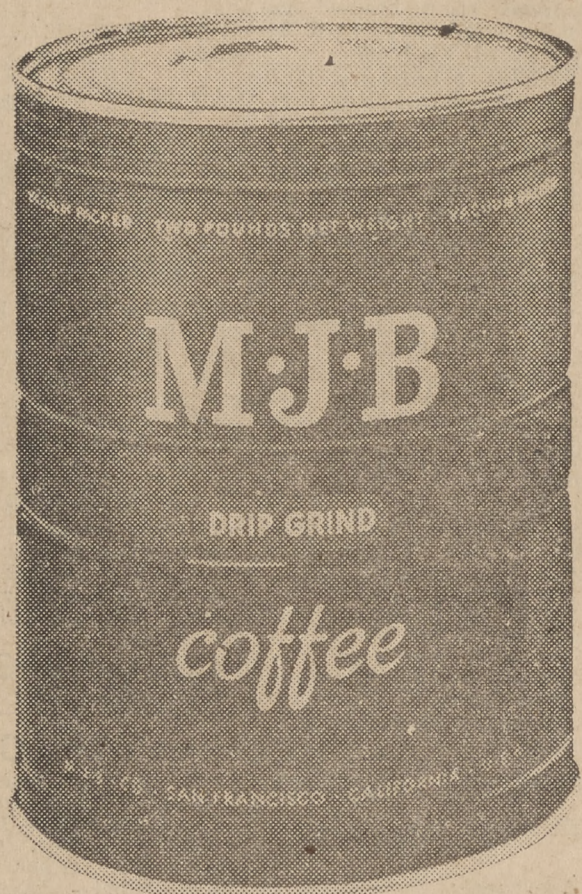

turers. Mrs. Harold Sprout, president of the club will introduce honored guests of the day, Mrs. Hugh Bain and Mrs. Nina Ormand, new of Orinda.

Boys Explore 120 Feet Thru Mercer Cavern

Descending 120 feet underground, boy scouts of Troop 200, Orinda, recently explored the lower reaches of Mercer Cavern in the Mother Lode country.

The boys visited the Calaveras Cement mine and plant at San Andreas and explored the old abandoned Carson mine near Vallecito.

The trip was planned by Vaughn Smallwood, the troop's geology merit badge counselor.

SCOUTS WHO went on the overnight geological expedition were Tom Hutton, Bob Yost, Jim Ricketts, Dick Sutcliffe, Kit Harnett, Dick Rieser, Mike Smallwood, Fred Schneider, Ken Sanderson and Paul Majka.

Also Barry Dauphinee, Tom Mueller, Steven Yost, Tom Kline, Harry Sigworth, Dewey Boyer, Kim Boyer and Ray Jones.

Barclay Ricketts, scoutmaster and Bob Reiser, assistant, also were on the trip.

Troop committeemen also went along, including Joseph Sanderson, Ernest Jones and Chris Harnett.

We Have Jobs, Says County Civil Service

The Contra Costa County Civil Service Commission recently announced it is accepting applications for:

1. Personal Property Appraiser, \$376-\$458. The Assessor's office anticipates one vacancy, and the job involves obtaining and analyzing data for evaluation of personal property tax assessments. Candidates must have high school education and three years' business experience, including work with inventory records, pricing or cataloging merchandise, book-keeping or accounting. Apply by May 29.

2. Apprentice Library Assistant, \$1.27 to \$1.55 per hour. The County Library Department offers six jobs to high school students who are interested in work on a part-time basis during the school year and a full-time basis during the summer in one of several libraries located throughout the county.

Candidates must be registered in a high school as a student in Contra Costa County. Apply by May 22.

3. Library Trainee, \$1.62 to \$1.97 per hour. College students who are interested in working on a part time basis during the school year and a full time basis during the summer in a library in Contra Costa County are urged to make application for this position. The Library Department anticipates hiring ten successful candidates for these positions. Candidates must be registered as a student in an accredited college or university with an academic program of at least seven units. Apply by May 22.

Employee benefits include three weeks paid vacation, sick leave, retirement plan and health plan. Application should be made to Contra Costa County Civil Service Commission, Box 710, Martinez.

Smed Amber Will Sing At Luncheon

Stanford student Smed Amber of Orinda is among the 50 Stanford-in-Germany singers who will entertain at Stanford campus conference luncheon on Saturday.

Amber, a sophomore, is the son of Mr. and Mrs. Louis B. Amber Jr. of 220 El Toyonal.

The group's repertoire is typical of the region near Stuttgart, Germany, where all have spent six months studying at Stanford's Beutelsbach campus, the University's new experiment in international education.

Partner in Firm

Mason Brothers, members of the Pacific Coast Stock Exchange, have named Raymond L. Smith of Sleepy Hollow as general manager.

Higher Waistline Effects and More Top Interest Seen in New Fashions

Fashion plans for spring revolve around the costume look. Although the general style trend is upward—shorter skirts, lifted waists, more top interest effects—the emphasis is not so much on silhouette as on the attractive combination of all fashion elements.

SUCH SPRING partnerships as the dress plus jacket or coat, the coat with a matching skirt and the suit with a coordinated blouse are present in abundance, ready for wearing.

As a focal point of fashion, costumes reveal the outstanding spring trends. Take, for instance, the little jackets, rib-cage to waist length, that appear so frequently in dress-jacket combinations.

These brief jackets help to carry out the high-waisted look, which is often just a look and not an actuality.

WIDE BELTS, fitted midriffs, brief bodices in contrasting colors and fabrics, and high-placed tabs, bows or belts are other ways that the lifted look is created.

All point up the fact that, while spring fashions owe inspiration to the empire and Directoire, some flattering changes have been made.

Some of the most exciting coat and dress costumes of the spring season are those intended for evening wear.

They take into spring such opulent fabrics as moire or lame, as well as chiffon and other silks.

Rich colors, prints and embroideries and much feminine flattery of style make them dramatically beautiful.

A favored silhouette for the dresses combines wide, shapely necklines with fitted bodices and

belled, bubble or harem skirts. Lovely alternative is the softly slim long dress.

Companion coats are either wide and sweeping or, to accompany slim dresses, a slim column.

Necklines offer the spring fashion choice of a big, big collar or no collar at all.

Local Women Highlight Mental Health Activities

Accelerated activity is being carried on during May in observance of Mental Health Month with tours of state hospitals in conjunction with "Operation Freindship" and additional visits by the Hospital Volunteer Committee of the Mental Health Association of Contra Costa.

Central Contra Costa, a United Crusade Agency, according to Mrs. Ronald C. Wishart of Walnut Creek, Hospital Service Chairman. For the past 15 months the hospital group under the leadership of Mrs. Wishart and Mrs. Hans Wendel of Lafayette, president of the Association, has been participating in an experimental therapeutic community program at

Ogden Cottage at Napa State Hospital.

The Ogden experiment includes a group of 85 women, ranging in ages from 19 to 65, who have been ill approximately two to 43 years.

"WHEN THE experiment was initiated, some patients were mute, underweight, poor eaters and also needed assistance with eating, while some were unable to dress and undress themselves, or take care of their personal needs."

"To date a total of 36 of the originally chosen women have been released to their homes with

no returns. Others are now able to visit their homes for short periods. Only 12 have failed to respond," Mrs. Wishart reports.

Dr. Ramona T. ... in charge of the Ogden program, states that the participation and interest as "outsiders" of the volunteers has made a significant contribution to the progress of these patients.

PARTICIPATING WITH Mrs. Wishart and Mrs. Wendel in this project are the Mesdames Stephen Fish, Byron Hubbard, and Joseph Romeo of Walnut Creek. The committee guiding the work

of the volunteer program includes the Mesdames Arthur Briggs and Byron Hubbard of Walnut Creek.

The council of Church Women of Contra Costa, the Contra Costa Junior Women's Club, and two other Crusade agencies—the Volunteer Bureau of Contra Costa County and the Diablo Council of Girl Scouts have assisted with the holiday programs of providing favors at Easter, Christmas and St. Valentine's Day, etc., as well as other items brought to the patients every second week the year round.

THE VOLUNTEER committee of the Association also has arranged for parties and visits on the wards. Other volunteers are participating as groups or individuals with the hospital programs of recreation, occupational therapy, library service, vanity shop, music therapy, etc.

Interested persons are asked to visit the Crusade-supported Mental Health Association of Central Contra Costa at 2030 North Main Street, Walnut Creek.

Bonanza-Locust Intersection Stop Changed by City

Stop signs at the Bonanza-Locust Street intersection were reversed this week following a traffic count indicating a heavier volume of autos using the Locust thoroughfare.

The signs were changed from Locust Street stops to the Bonanza Street side. The change came unannounced and caught most drivers by surprise.

Two policemen on duty seemed to add to the confusion the first day.

"Heck, I saw the cop," said one driver, who stopped in spite of having the right of way. "I thought I must be doing something wrong."

So did most other people traveling on Locust.

City Public Works Director Larry Milnes said the change also was made because most drivers going down Bonanza Street hesitated at the intersection.

"It seemed a natural stop — at least drivers acted like it did — and the traffic count supported the change, so it was made," Milnes said.

Hilltop Garden Club Will Tour Marin Center

Hilltop Garden Club will tour the Marin Art and Garden Center, in Ross, Marin County, next Wednesday.

This will be an especially interesting tour, as it is the annual market day of the center.

Mrs. Violet Guilder will show the visiting members the decorations guild workshop.

Mrs. Eva Kemp will show the art gallery. Mrs. John Wright will tell about the Ross Valley Players and the history of the center.

Luncheon will be served, at which time the Hilltop Garden Club's new officers will be installed.

Hough Avenue Will Go Back To Two-Ways

Hough Avenue will go back to being a two-way street, it was decided Tuesday night in Lafiesta Plaza.

After hearing merchants' views, Supervisor Mel Nielsen said he will recommend to the board of supervisors that the one-way test period be abandoned.

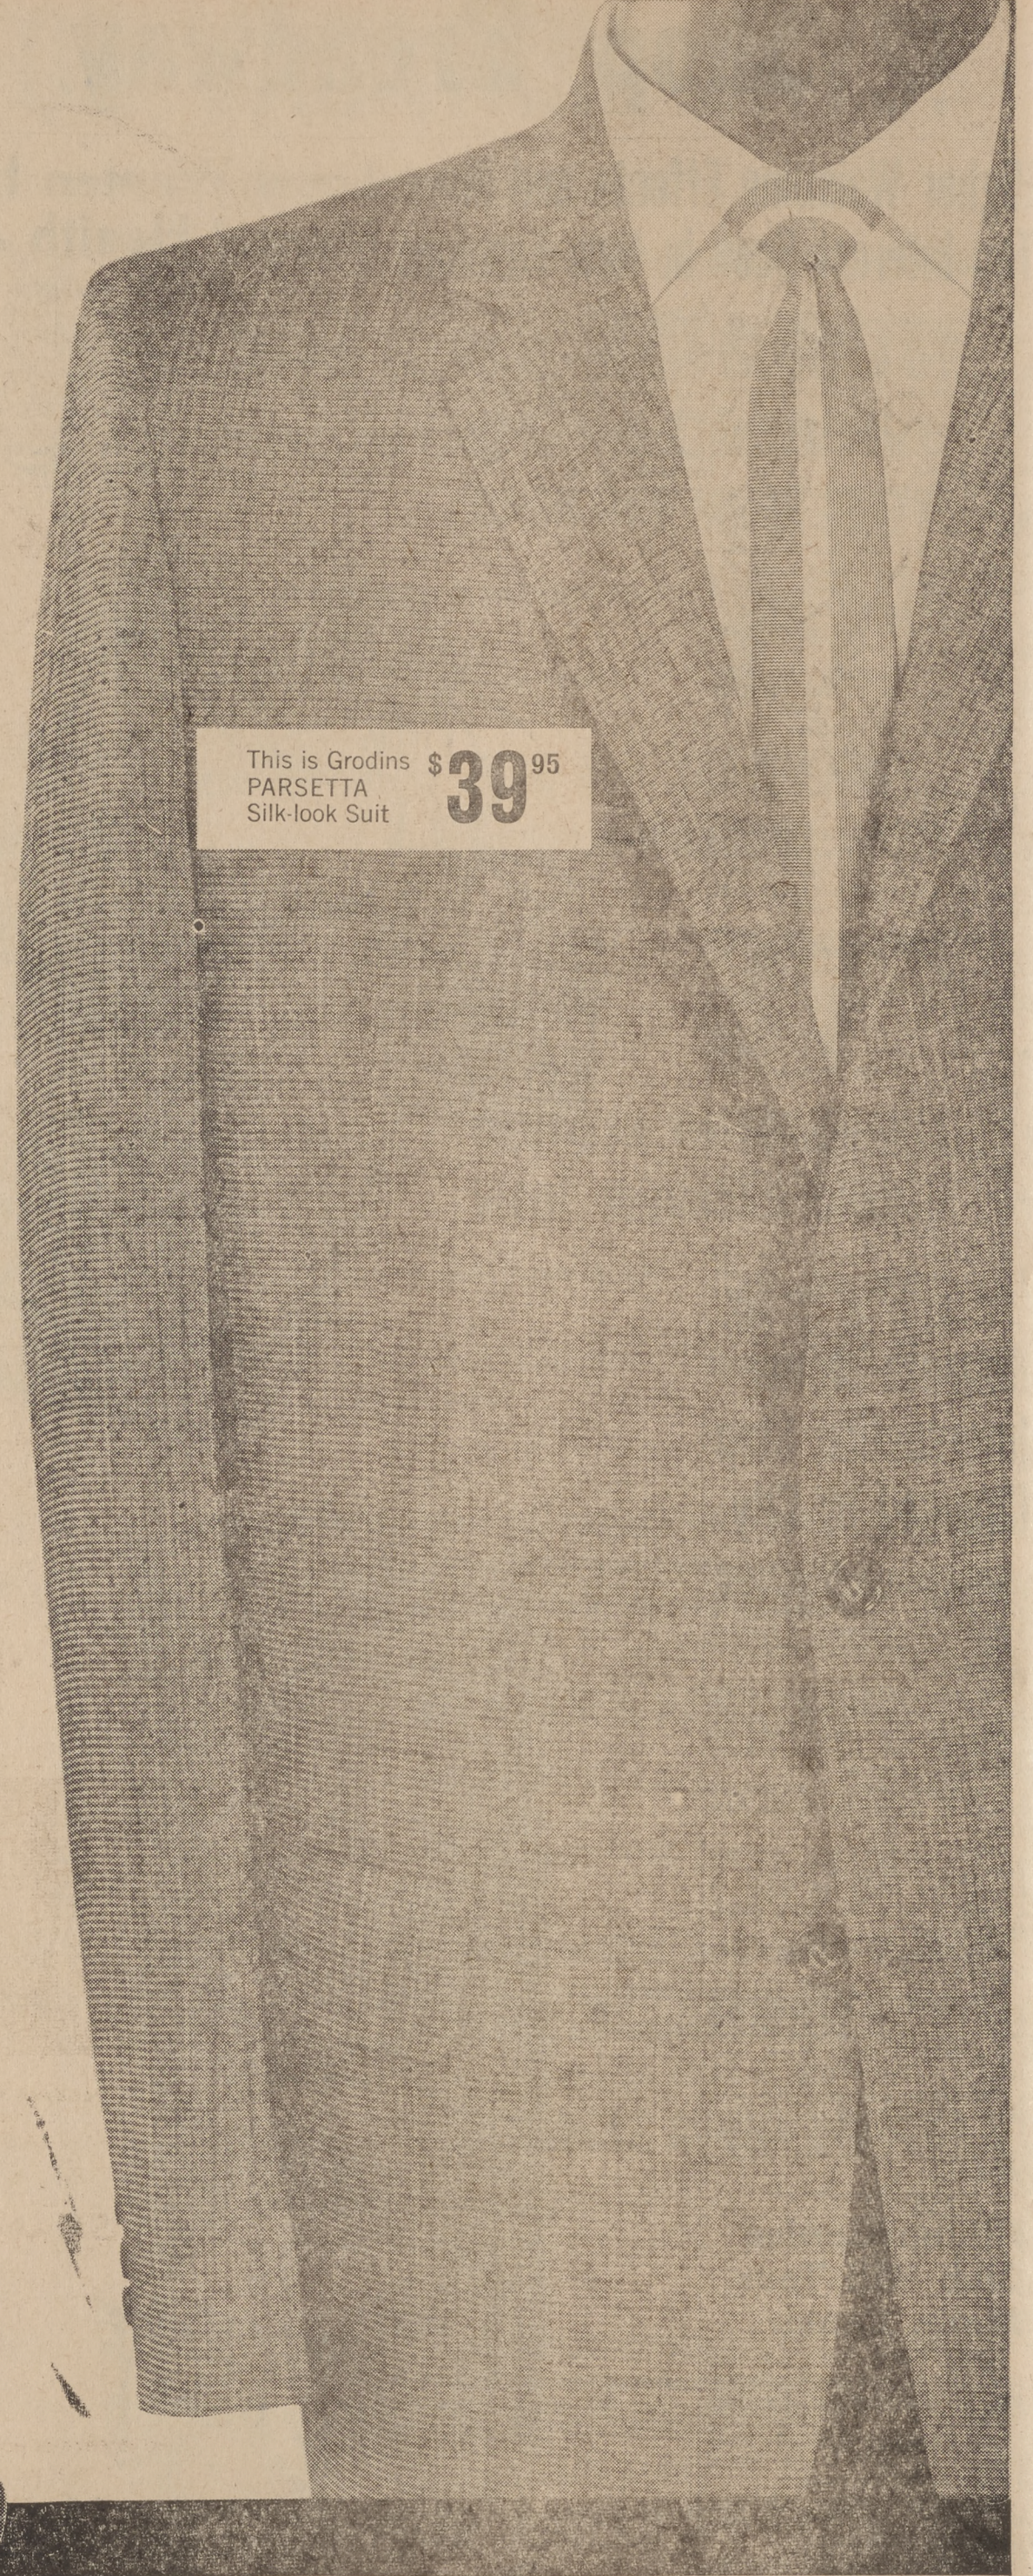

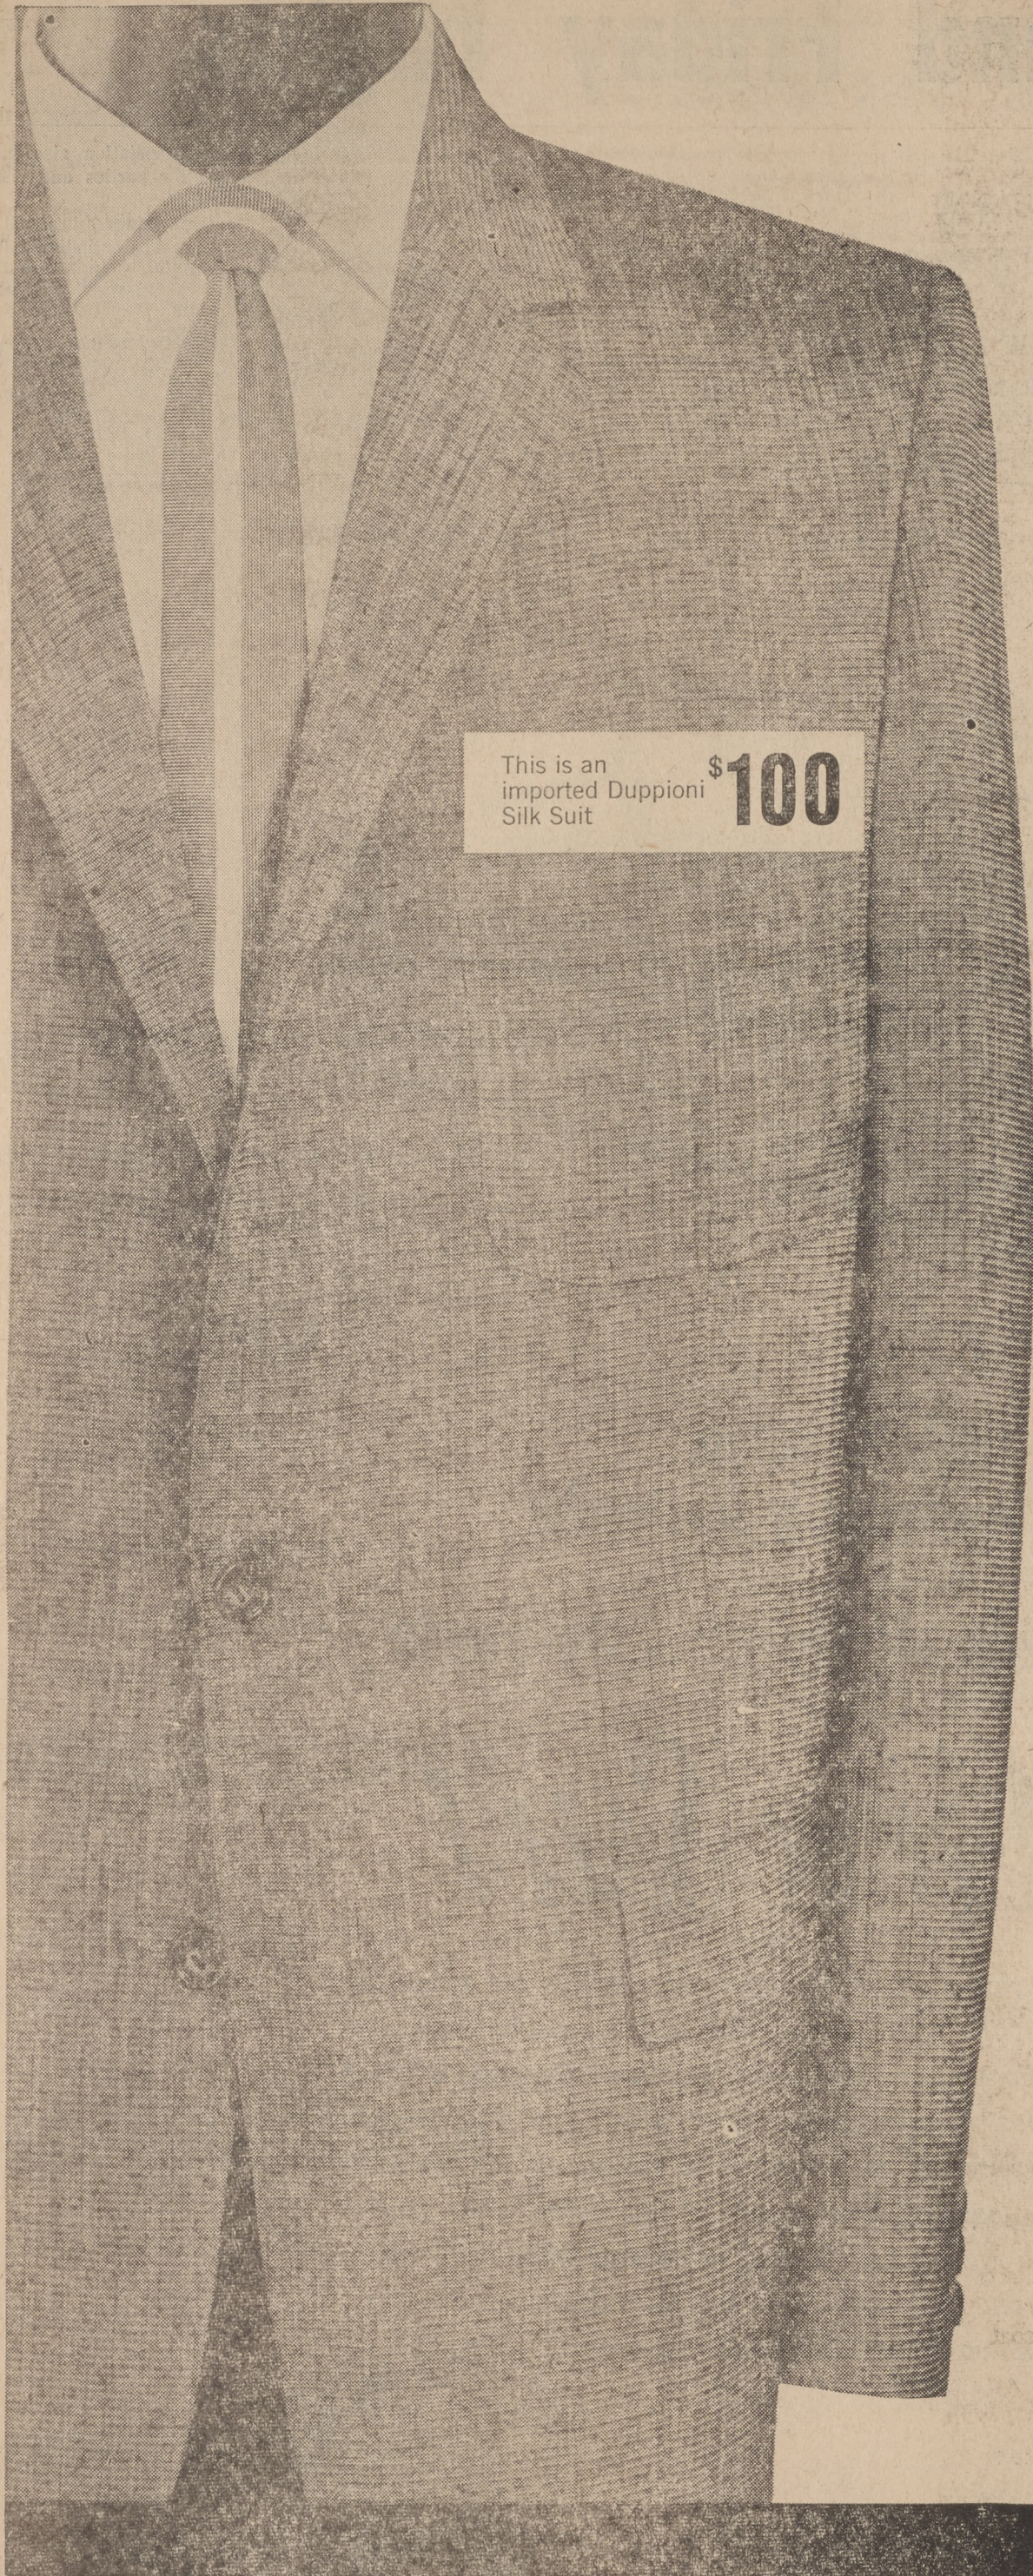

In March of this year it was decided to try the one-way traffic to Lafiesta Plaza.

At that point two-way traffic resumed.

After almost two months of confusion and extreme traffic congestion on the street, merchants asked for a meeting to air their complaints.

Public notices are expected to be published in the near future and one-way signs will come down.

A no-parking regulation on the west side of the street will remain in effect.

Broadway Vacation, Boat Show Ends Tomorrow

"The boat you have always dreamed of will be on display at the Broadway Shopping Center today and tomorrow."

So spoke Bill Schatz, member of the Broadway Merchants Association, sponsors of the three day Broadway Vacation and Boat Show, while inviting residents to attend.

"There'll be plenty of free prizes for our visitors in addition to the display of fine sea craft and vacation trailers which will be a key part of our Vacation and Boat Show," Schatz continued.

Highlighting the program, Schatz pointed out, will be the

most sought after sea going items ever to be presented in a single showing in the Central Contra Costa area.

"A number of local boat and boating goods distributors will be on hand to explain some of the finer points to the expert seaman or the landlubber with a yen to own a boat, the committee member commented.

"We, in the Broadway Shopping Center, are sure that everyone will have a good time at the Center's Vacation and Boat Show today and tomorrow, Schatz concluded.

More Home Improvements Planned Than Ever Before

Indications are that more Contra Costa residents may be planning to repair or improve their homes this year than in any year in recent history, Bill Hayward, president of the Contra Costa Real Estate Board, reported today.

He added that if such work is being planned in preparation for the possible sale of the homes, owners will benefit from a discussion of their plans with the realtor of their choice.

HAYWARD SAID that his belief in a boom period of home modernization and maintenance is based on the observations of the 115 realtors who are members of the Contra Costa Real Estate Board, and on a survey report issued by the Federal Reserve System.

The FRS survey of the spending plan of consumers, just released, indicated that 24.6 per cent of the nation's non-farm families intend to spend \$50 or more on improvements or repairs to their homes during 1959. This is the highest percentage of those indicating such plans since early 1953 when the subject was first included in the survey.

"While the FRS study was

national in scope without particular reference to any community, there is no reason to believe that Contra Costa differs from the nation with respect to the spending plans of its residents," Hayward pointed out.

RECALLING THAT the real estate brokers who have been admitted to membership in the Contra Costa Real Estate Board and thus have the right to the realtor designation are the leaders of the profession, Hayward said that he and his associates are equipped to offer two kinds of advice to persons contemplating home improvement as an aid to the sale of their property.

"We can be helpful to such people in suggesting what they ought and ought not to do in the way of home improvement if their primary reason for making such plans is to put their homes in a more marketable condition," he said.

"In the course of the thousands of home sales they have negotiated, realtors have gained clear ideas of the types of improvements that help to sell homes, and those that hurt chances for sale at a price reflecting the owners' investments in them.

"For example, we know that first impressions gathered by a

prospective buyer are often last-terior condition come high up on ing ones," Hayward said. "The first thing that an average sales prospect notes about a home is the condition of the grounds. This is particularly true in spring. If the lawn is patchy or untidy, and the shrubbery neglected, the initial impression is negative.

"The same thing is true of the exterior of the home — fresh trim paint will go a long way to produce an inviting appearance. Thus, in fixing a home up for sale, we recommend that its ex-

BE WISE . . . READ THE SUN

Blazers Are Back In New Fashion

The song of the open road, the whistle of some green fairway, the murmur of a cool mountain breeze or the pounding of the ocean surf—all these sounds are summoning America back into the outdoors.

Springtime '59 sportswear, according to the American Institute of Men's and Boys' Wear, is almost as weightless as the down on a milkweed.

IN SLACKS, there are the conventional pleated styles, plain front Ivy models, self-supporting models and, newest of all, the Continental styles—slim legged, angled front pockets, carrying either a single pleat or made with a plain front.

THE STANDOUT sport coat this year is the blazer.

The blazer is now made in featherweight wash-wear types, luxurious silks—some of which take on the colorations of Madras-type plaids, both bold and subtle stripes—and some raw silks that have a rough and rugged texture.

Other favored blazer fabrics are hopsacking and blends of man-made and natural fibers woven in checks, plaids, stripes and paisley prints.

The Continental model sports coats, making their first appearance this season, are made in a variety of styles, some with peaked or semi-peaked lapels, others with notched lapels and some with rounded "clover-leaf" lapels.

ALL THESE new jackets are slightly shorter than the other styles and most are more cutaway and more rounded at the front.

Help From The Rotary

Walnut Creek Rotarians this summer will initiate a vocational guidance program to be conducted in cooperation with Las Lomas High School officials, this week revealed Bruce Lee, appliance store owner and Rotary Club director.

"We are setting up an employment bureau for students from Miramonte, Acalanes and Las Lomas High Schools," said Lee.

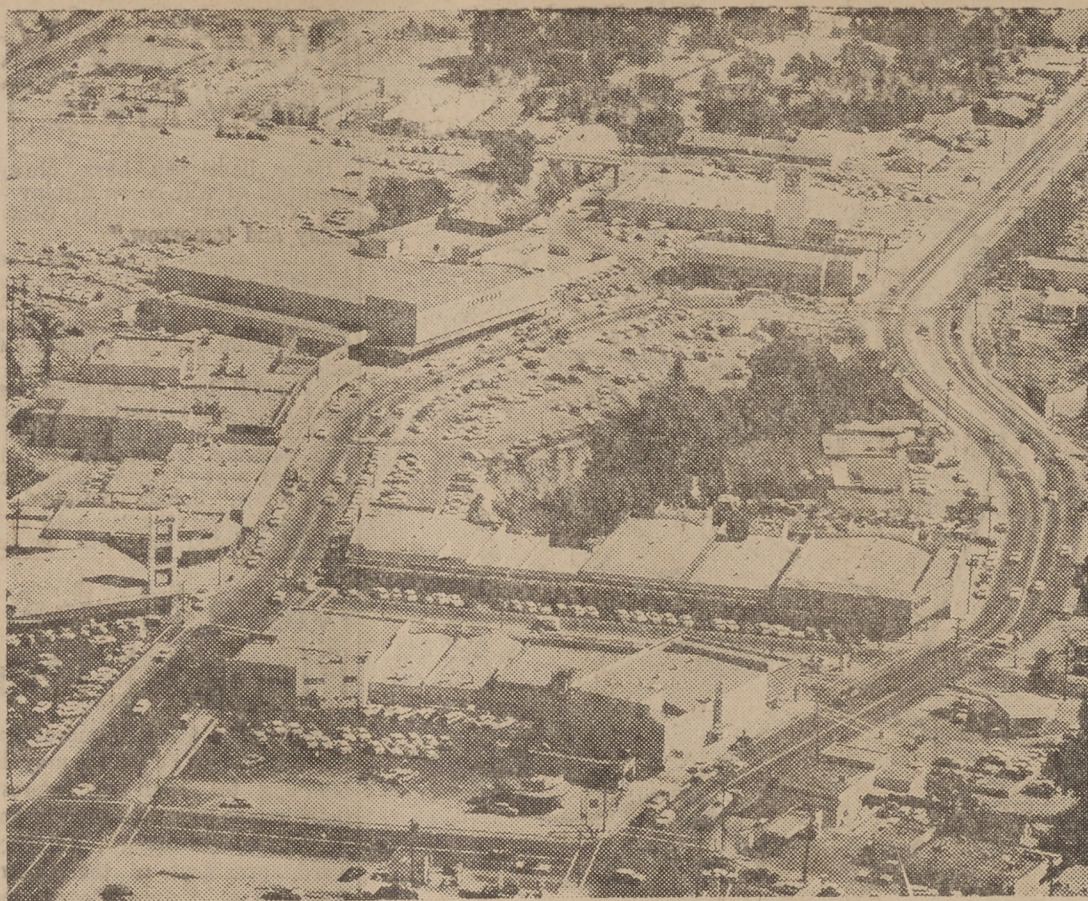

It is hoped, Rotarians say, that people through advertising will call Las Lomas High and request some one to do odd jobs.

EACH MORNING a Rotarian will take the number of jobs and match them with students nearest the jobs and best suited for the work.

Job assignments may be lawn mowing, shrubbery trimming, or other maintenance chores—even baby-sitting.

"There has been a definite need for this sort of thing," said Lee. "We also hope eventually this will be self-sustaining," he added.

The employment program will be one of this year's Rotary Club projects.

THERE'S PLENTY OF parking, and shopping is convenient in the Broadway Shopping Center as this aerial view clearly shows. Furthermore, stores are open Friday nights for your convenience.

There's No Need to Panic Over Summer's Humidity

Keep cool, men!

No need to panic because of summer's heat and humidity, says the American Institute of Men's and Boys' Wear. You can look as fresh and crisp as a new hundred-dollar bill in your business clothes or when dressed for your vacation in the big city—providing you dress right.

SULTRY DAYS and steamy nights can't wilt the fellow who takes advantage of the new fabric finishes and the wonderful blends of science fibers and natural yards that go into the clothes of the truly modern man.

The giant strides taken by

makers of men's wear during the past several seasons have made the wrinkled and rumpled outfits that once were the lot of the businessman and even the vacationing fellow taking in the sights of some new city, as outdated as a high starched collar.

THE NEW BLENDS and fabric finishes serve several purposes in keeping men feeling comfortable as well as looking comfortable.

In furnishings, there are the wash-wear shirts, undershirts, handkerchiefs, ties and pajamas. While the fact that these handsomely designed garments are washable and wearable without

pressing is a boon in itself, the plus factor is that the wash-wears, due to their "hydrophobic" qualities, shake off the wilting effects of dampness and perspiration. As a result, they maintain their freshly laundered look all through the day.

The traveler and the vacationer find another asset in the wash-wears: being able to rinse out these garments at night and waking the next morning to find them "pressed" and ready to wear.

This makes excess packing a thing of the past.

It also cuts down on laundry bills at home, making the lady of the house happy, too.

In clothing, the new blends have many beneficial features. Wash-wear suits are more popular than ever this Summer because of improved performance factors as well as to the greatly expanded range of styles, colors and patterns in which they are tailored.

Camporee Planned for Weekend by Boy Scouts

Patrols of scouts of the Meridian District, Boy Scouts of America, will set up camps, cook meals, compete in field events, and just have general fun at the district Camporee at Buchanan Industrial Park this weekend.

Paul Dreyer, Camporee director, recently met with Igor Blake and R. B. Stringer, members of the camping and activities committee, and Dave Lercari, district commissioner, and Brooks Kuehl, assistant district executive, to plan final details.

Troops must have their patrols checked in and camp set up by noon Saturday on camping weekend. Patrol camps will be judged for the first time shortly thereafter.

The afternoon will be spent in competitive events in which patrols will have a chance to earn a first, second, or third place ribbon. The events will include judging, first aid, knot tying, and compass projects.

Explorers are being asked to serve as judges and aides under William Hassler, assistant district commissioner for exploring.

Saturday evening will be devoted to a campfire program. The local chapter of the order of the arrow, an honor camping society, has been asked to present opening ceremonies. Max Hollander and Dave Dunham are advisors to the chapter.

Troops will be given an opportunity to present outstanding skills, stunts or soloists and there will be a community sing.

On Sunday morning Rev. David

H. Romeis of St. Luke's Lutheran Church of Walnut Creek will conduct religious services for the scouts of Protestant faith. Boys of Catholic faith will attend mass at the Queen of All Saints Church in Concord.

Rev. Romeis has a fine scouting background, having earned the Eagle Scout rank, the Hornaday conservation award, and having been the camporee chaplain in the past for the Stanford area council, Boy Scouts of America.

He is a new member of the Meridian District Committee.

An emergency first aid station will be maintained at all times during the camporee under the guidance of Dr. James Misch, chairman of the health and safety committee. The site and water for the use of troops are being provided by King Parker, member of the council's executive board.

Parents and friends of scouting are invited to visit the camporee Saturday afternoon or evening or Sunday morning to see the program in action.

Proposed Park Discussed by C of C Directors

The possibility of establishing a community park at the west end of Lafayette was discussed by Chamber of Commerce board of directors at its regular meeting held recently at El Nido Rancho.

C. R. Johnston, chamber secretary, told directors he has discussed the tentative plan with Herbert J. Wickman and Admiral Earle Hipp of East Bay Municipal Utility District.

The one-acre site is adjacent to the welcome sign fountain and is owned by EBMUD.

IF THE PROPOSAL is carried out the chamber would be required to provide rest rooms and fence the area.

Liability insurance of \$200,000 would also be necessary, Johnston said.

Neill Cornwall, a guest at the meeting, suggested the park would make an ideal "city hall location" after Lafayette becomes a municipality.

DIRECTORS decided to take for White suggested more information at this time after Stanton be obtained about the project.

Merriewood Opening Will Cause Changes in Schools

The new Merriewood School of the Lafayette Elementary School District is expected to be completed by September 10.

Because of this, Merriewood and Burton School will be K-6 schools, while Fairview will have only grades seven and eight.

Some children who live in the St. Mary's Road area and who will attend grades kindergarten through fifth will go to Lafayette.

OTHERS IN the same area who will be in sixth and seventh grades next year will go to Stanley. Still others who are in the

seventh grade will continue at their same schools in eighth grade.

Glenside Drive is one of the dividing lines between Merriewood's area and Burton's area. Here, again, some students will

attend Merriewood others on Glenside and Las Trampas will go to Burton.
